

We are happy to announce that we've added an extra benefit to the Luber-finer product line. We have approximately 400 Luber-finer items that can now be ordered as a "single" pack. These numbers have been set up with a -1 suffix, and must be ordered as such in order to ensure that a "single" is received. Please contact your Sales Representative for pricing. Or if you have additional questions, you may call your Customer Service Representative. A listing of these new single items will be listed separately on our Luber-finer website. Thank you.
