

**Support Services-Equipment Maintenance****A - UNITED OFFSHORE SERVICES**

Leading manufacturer of custom made steel wire rope, heavy lifting slings, cable-laid slings & grommets ranging from 2" (51mm) up to 18" (458mm) with stocks of general purpose anchor, crane and pennant wires. Proof and destruction test up to 1300Mt.  
Website: [www.uos-nl.com](http://www.uos-nl.com)

**A. K. Suda, Inc.**

A. K. Suda, Inc. is an experienced, high-tech Naval Architecture and Marine Engineering firm. An industry leader in vessel design and engineering, it has produced many first-of-a-kind designs, including the first USCG approved liftboat.  
Website: [www.aksuda.com](http://www.aksuda.com)

**A.R. Watson Inc.**

Over 1000 bulk storage tanks of sizes up to 300 feet in diameter, 1800 tons in weight have been lifted using the Watson Air Lift Technology.  
Website: [www.arwatson.com](http://www.arwatson.com)

**AACANN Mechanical, Inc.**

AACANN has set no limit in providing quality equipment, service, and support for our clients. We have years of experience in the marine industry providing services on tugs, jack-up rigs, semi-submersibles, TLP's, fixed platforms and ships worldwide.  
Website: [www.aacann.com](http://www.aacann.com)

**Aberdeen Global Drilling Supplies Limited**

Distributor of NOV/Retsco Relief Valves, RRV repair/calibration, Manufacturer of RRV Test facilities (tailor made), Mud Pressure Gauges, Mud Handling Equipment, Butter-fly Valves, Mud Pump Parts and Drilling Equipment  
Website: [www.globaldrillingsupplies.com](http://www.globaldrillingsupplies.com)

**Ablecare Oilfield Services Group**

Our Offshore Base is strategically located in the Mediterranean on the island of Malta. We offer a base facility to service offshore drilling contractors and oil operators operating within the Mediterranean and North African sectors.  
Website: [www.ablecareosg.com](http://www.ablecareosg.com)

**Ace 1**

U.S. company providing VSAT installation and maintenance services to support your clients throughout Africa and Latin America, as well as other parts of the world. We support your marine/offshore and fiber optics needs.  
Website: [www.ancelint.com](http://www.ancelint.com)

**ADITECH Ltd**

We are equipped to provide high quality Front End and detailed engineering design work, Electrical, Instrumentation, piping, Tankage engineering, procurement, servicing and maintenance of product flow meters, fabrication, metering and calibration.  
Website: [www.aditechgroup.net](http://www.aditechgroup.net)

**Adroit Industrial Maintenance Co.**

Adroit Industrial offers welding and metal fabrication services. Offshore, onshore, or in our shop we can build to spec or design in house. We can work with high tensile steels and almost all alloys. Adroit Industrial is available 24/7.  
Website: [www.adroitindustrial.com](http://www.adroitindustrial.com)

**Advanced Watertek**

Manufacturer of Watermakers - Reverse Osmosis Systems. Spcificially for Marine/Oil field. 25 Years in the Industry. Repair, Recondition, Redesign any type R.O. Watermakers. Head Office in Australia & Regional Office in Dubai.  
Website: [www.advancedwatertek.com](http://www.advancedwatertek.com)

**Advantage Interests Inc. Fire Protection Company**

Advantage Interests specializes in providing commercial and industrial buildings with fire safety products and inspections. We also design and install fire sprinkler systems. Regardless of what you do, we have what you are looking for.

Website: [www.advantagefireprotection.com](http://www.advantagefireprotection.com)

**Advantage Precision Products**

APP is a worldwide leader in industrial manufacturing and service for a broad spectrum of global industries. We offer custom machining and fabrication as well as castings, forgings, and design services.

Website: [www.advantageprecision.com](http://www.advantageprecision.com)

**AeroGate**

Design, procurement, repair, personnel and service of electrical equipment including all rotating and generating machinery.

Website: [www.aero-gate.com](http://www.aero-gate.com)

**Aiken Engineering**

Aiken Engineering is a mechanical and structural engineering company using state of the art software, extensive knowledge of industry codes and engineering experience to deliver critical analysis where the consequence of failure is catastrophic.

Website: [www.aiken-engineering.com](http://www.aiken-engineering.com)

**Air Comfort, Inc.**

HVAC-Air Handlers, Condensers, Fire Dampers, Fans, Duct, Parts, 24 Hour Service. Since 1954 we have been servicing and installing HVAC equipment throughout the world.

Website: [www.air-comfort-inc.com](http://www.air-comfort-inc.com)

**Air Tech Commercial Services**

Air Tech Commercial Services (ATCS) provides long-term management of the HVAC, Indoor Air Quality, and Plumbing in on-shore and off-shore commercial and government facilities.

Website: [www.amsofusa.com](http://www.amsofusa.com)

**Airconditioning, Refrigeration & HVAC Services**

Tradewinds Marine specialize in the Installation, Commissioning, Service and Maintenance of all types of HVAC Systems. We can provide specialist site surveys, site based City & Guilds Training and supply all brands of HVAC spare parts.

Website: [www.tradewindsmarine.co.uk](http://www.tradewindsmarine.co.uk)

**Al Fayah Metallic Industries LLC**

Air Dryers, Chemical Dosing Skids, DNV 2.7.1 Skids, Scrubber, Coalescent Filters, Oil Water Separators, Launchers & Receivers, Boilers, Tanks, Vessels & Piping systems w/ design, manufacture, supply, installation, testing & commissioning.

Website: [www.alfayah.com](http://www.alfayah.com)

**Allied Machining & Centrifuge**

Allied Machining & Centrifuge we specialize in high-quality metal machining work, centrifuge production, and centrifuge repair for companies in Alberta and beyond.

Website: [www.alliedcentrifuge.com](http://www.alliedcentrifuge.com)

**Allstate Tower Company.**

AST is a full service turn key tower contracting firm. We fabricate, install and maintain any type of steel radio towers. We are a nationwide firm providing inspection and maintenance work to Utility, Pipeline, Wireless, Government and oil companies.

Website: [www.allstatetower.com](http://www.allstatetower.com)

**ALLTITE, INC.**

Sale and Rental of Hydraulic Wrenches, Pneumatic Torque Guns, Sockets, hand wrenches, and more.

Website: [www.alltite.net](http://www.alltite.net)

**Almac Machine Works Ltd.** - Edmonton, AB Canada  
Machining, fabricating, millwrighting, custom equipment design & manufacture, maintenance, shutdowns, rebuilds, repairs, balancing, vibration analysis, laser alignment, blowers, pumps, mobile & skid mounted vacuum equipment, brake blocks, brake bands.

Website: [www.almacmachine.com](http://www.almacmachine.com)

**ALNAS**

JSC "ALNAS" offers a full variety of submersible pumps (ESP) for oil industry, related components and service. 40% of the Russian oil is delivered by ALNAS pumping equipment, allowing it to be one of the leading ESP manufacturers in the world.  
Website: [en.alnas.ru](http://en.alnas.ru)

**AlphaSeismicCompressors**

International provider of customized high pressure and high volume compressors for seismic and industrial applications. Air source solutions for harsh and demanding environments. Specializing in long term rentals, sales and service.  
Website: [alphaseismiccompressors.com](http://alphaseismiccompressors.com)

**Americon Petroleum Corp.**

Americon Petroleum focuses on the marketing, sales, trading and logistics in the heavy oils sector of the Petroleum industry. We provide strategy, solutions and management for numerous petroleum products.  
Website: [www.americonpetroleum.com](http://www.americonpetroleum.com)

**Apex Industrial Chemicals Ltd**

Apex Industrial Chemicals are an Aberdeen based manufacturing and sales organisation, supplying and manufacture specialty chemical products for sectors: Oil & Gas, Transport, Engineering, Hygiene, Marine, Aerospace and the Shipping Industries.  
Website: [www.apex-chemicals.co.uk](http://www.apex-chemicals.co.uk)

**Arecon Data**

Arecon Data is the leader in tubular asset management for OCTG, Drill Pipe, and Line Pipe. Tracking the complete history on a per joint basis for all inspections, repairs, usage, location, and logistics.  
Website: [arecondata.com](http://arecondata.com)

**Aries Marine & Engineering Services**

Aries is the leading inspection & survey organization providing engineering, inspection, maintenance services to the Marine, Oil & Gas, and Structural Maintenance Industries worldwide for the past 14 years.  
Website: [www.ariesmar.com](http://www.ariesmar.com)

**Askarii Construction**

Askarii Resources, LLC has grown steadily from a company founded in the wake of the damages caused by Hurricane Ike's terrible devastation in the deep waters of the Gulf of Mexico, to an international construction and P&A company.  
Website: [www.askarii.com](http://www.askarii.com)

**ASN Compression inc.**

Distributor, service and parts center, Québec and Ontario for Sullivan-Palatek, SAMSUNG Turbo compressors, Continental Blowers. SPX Deltech, Tuthill, Montréal, Toronto, Québec.  
Website: [www.asncompression.ca](http://www.asncompression.ca)

**Auxiliary Systems Inc**

Auxiliary Systems core competencies are centered around auxiliary machinery, electrical equipment, and machinery repair for the armed services (DoD), marine shipyard repair, marine shipping, industrial facilities, and industrial plants.  
Website: [auxsysinc.com](http://auxsysinc.com)

**AVEVA Solutions Ltd**

AVEVA provides comprehensive solutions for engineering businesses. Small businesses can benefit from our stand-alone software products. Large businesses can be supplied with enterprise-level solutions which integrate with third-party applications.  
Website: [www.aveva.com/en.aspx](http://www.aveva.com/en.aspx)

**AWA Instrument Ltd.**

Instrumentation & controls calibration/repair. Test equipment sales - process calibrators, electrical test meters, electronic gauges and physical measurement. Industrial oven/combustion controllers, recording - calibration to NIST traceable standards.  
Website: [awainstrument.com](http://awainstrument.com)

**Beijing Nera Stentofon Communications Ltd**

Norwegian JV in China, supplying Communications Equipment in the fields of Building Security, Offshore Platforms, Inmarsat Satellite Communications and Intercom/Safety Systems for Government and Industry. We have our own Installation and Repair team.  
Website: [www.bnsc.com.cn](http://www.bnsc.com.cn)

**BICS, Inc.**

Full service: Laser Alignment, Vibration Analysis, Oil Analysis, Dynamic Balancing, Lubrication & Filtration, Synthetic Oils, Machinery efficiency.  
Website: [www.bicsinc.com](http://www.bicsinc.com)

**BISSO MARINE**

BISSO MARINE oilfield, drilling and energy support contractor since 1890.  
Website: [www.bissomarine.com](http://www.bissomarine.com)

**Blue Diamond Oilfield Supply & Services, LLC**

Blue Diamond OSS offers a wide variety of Oil, Gas, Industrial and Marine supplies and services. Our services also include Electrical preventive maintenance, testing and repair for these sectors. We are located in Musaffah, Abu Dhabi, UAE.  
Website: [www.bluediamondoss.com](http://www.bluediamondoss.com)

**Boumans Drilling Control Service**

Troubleshooting Control System service for VARCO, IPS, BAYLOR, Tesco, ISC, IDM, ROSS HILL, OMC, TECH POWER, GE, NATIONAL, PLC, Step 7, AC/DC Drives Control Systems Start-ups, Installations, Commissioning, 3rd party Inspections, 1-337-278-6577 USA  
Website: [www.boumans.com](http://www.boumans.com)

**BPI Compression Services & Rentals**

BPI Compression has an extensive fleet of both low and high speed reciprocating gas compressors in the 50-1000 HP range. We offer top quality compressors at competitive rates and unsurpassed service response.  
Website: [www.bpicompression.com](http://www.bpicompression.com)

**Briggs Equipment**

Briggs Equipment is one of the largest equipment distributors in North America. Our company operates in the United States, the United Kingdom and Mexico.  
Website: [www.briggsequipment.com/](http://www.briggsequipment.com/)

**BWQAS Ltd Co**

Consultants for API/ISO Quality Management Systems:Development-Implementation-Maintenance-Documentation-Training Quality Control Inspection Services: Expediting-Procurement-NDT-Coating-Pipeline Construction-Project Management-Maritime Export&Import  
Website: [www.bwqas.com](http://www.bwqas.com)

**Calibration and Repair Service Center**

NIST Calibration service center for pressure, multifunction, temperature, documenting gauges, pressure and analog modules. Bore gauges, torque wrenches, meters, and deadweight tester, just to name a few.  
Website: [www.westechlabs.com](http://www.westechlabs.com)

**Cameron Mfg. & Design**

Metal Fabrication: sheet metal, heavy gauge, Machine Shop services, Custom Machinery, Engineering Services, ASME Code Shop, Pressure Vessels & Piping Emergency Repairs. Currently servicing the Marcellus Shale Oil & Gas Exploration Industry.  
Website: [www.cameronmfg.com](http://www.cameronmfg.com)

**Centrifuges Un-Limited**

A fully integrated service company dealing with liquid/solid separation process issues. We are specialists on O.E.M equipment such as Alfa Laval, Westfalia & Mitsubishi. We can provide rental solutions, source spares, P.P.M or reactive repairs worldwide.  
Website: [www.centrifuges-unlimited.co.uk](http://www.centrifuges-unlimited.co.uk)

**Centrix**

Centrix is a diversified engineering group based in Western Australia. We offer a range of products and services related to the oil and gas industry including slickline units, equipment repair and testing, tool manufacture and repairs etc.

Website: [www.centrixgroup.com.au](http://www.centrixgroup.com.au)

**Chesroc Nigeria Limited**

We are an indigenous oil servicing company registered with the Nigerian Corporate Affairs Commission. Our services include: Engineering; Construction Services; Asset Management Services; Procurement activities.

Website: [www.chesroc.com](http://www.chesroc.com)

**Clean Blast Inc**

Clean Blast. The safety committed, fast, cost-effective way to clean equipment surfaces. Safely and effectively cleans a multitude of surfaces and equipment in a fraction of the time of traditional methods.

Website: [cleanblastinc.com](http://cleanblastinc.com)

**Cleanroom Floor Mats**

Multi-Layer Controlled Environment Protection. Cleanroom, commercial-grade floor mats are multi-layer, polyethylene film floor mats coated with a high-tack adhesive.

Website: [www.filmspek.com](http://www.filmspek.com)

**Coastal Marine Equipment, Inc.**

We offer a complete line of Deck Machinery including, Windlasses; Winches (Towing, Mooring, Anchor, Escort, Ramp); Reels (Hose, Cable Storage) & Capstans as well as Fabrication, Machining, Testing, Installation, Maintenance and Repair Services.

Website: [www.coastalmarineequipment.com](http://www.coastalmarineequipment.com)

**Coastal-Industrial Services**

Coastal is a solutions oriented provider with a wide range of capabilities, designed to provide our customers with the lowest total cost of acquisition on industrial cleaning services.

Website: [www.coastal-industrial.com](http://www.coastal-industrial.com)

**Concord Steel**

Concord Steel is the world's largest producer of steel test weights and counter weights. We produce weights for testing and inspection of marine/mainland cranes and lifting equipment, as well as counterweights for maintenance or refurbishment.

Website: [concordstl.com](http://concordstl.com)

**Cornerstone Mechanical Services, Inc.**

Dallas, TX. Got Centrifuges? We balance them. Cornerstone Mechanical Services, Inc. provides solutions to machinery and process control problems.

Website: [cornerstonemechanical.com](http://cornerstonemechanical.com)

**Cornerstone Valve:** Severe Service Engineering specializing in ball & check valves for severe service industry. Manufactured in TX, each valve is tested/fully cycled/verified to API ISO/ANSI standards & customer specs. Our valves outperform in the most extreme conditions so your company can too.

Website: [www.cornerstonevalve.com](http://www.cornerstonevalve.com)

**Cross Marine Projects**

Cross provides underwater construction, commercial diving services, environmental cleanup, pipeline installation, dam inspections, and subsea salvage.

Website: [crossmpc.com](http://crossmpc.com)

**Custom Automated Controls, Inc.**

Electrical and Instrumentation Professionals in many aspects of Oil and Gas Industry monitoring equipment, control & safety systems, panel manufacturing, installation, system testing.

Website: [www.custautocont.com](http://www.custautocont.com)

**D&D Tech Systems**

Elec. Control Panels/Skilled Tech Specializing in Electrical Control panels, Equipment Controls, Subsea Equipment. Assembly, Wiring, Repair, and Refurbishment of all different types of control systems. Provides Skilled Contract Technicians (Welders, Fitters, Electricians, Wireman).

Website: [ddtechsystems.com](http://ddtechsystems.com)

**Del Mar Marine Corp.**

Introducing the new Project Management System for our clients, who will be able to monitor on-line 24h development progress of their inquires, add new requests, attach documents, review quotations for negotiation or approval, discuss status, etc.  
Website: [delmarmarine.com](http://delmarmarine.com)

**Derrick Brasil Services Ltd**

DSL Brazil provides a range of construction and inspection related services, fabrication, derrick repair, rope access trades/inspection, lifting equipment inspection, water bags, rig upgrade etc.  
Website: [www.derricksl.com.br](http://www.derricksl.com.br)

**Diesel Power Solutions LLC**

We specialize in Part & Service for all EMD Engines Worldwide. We offer complete engines, emergency repairs including grinding, welding & boring of your engine in place.  
Website: [dieselpowersolutions.com](http://dieselpowersolutions.com)

**Diverse Energy Systems**

Diverse Energy Systems, LLC is a dynamic company serving Bakken energy producers with essential oil field equipment and turn-key systems and services from the wellhead to the pipeline.  
Website: [www.des-co.com](http://www.des-co.com)

**Dresser-Rand Company**

D-R is a leader in energy conversion technology, with field-proven centrifugal and reciprocating compressors, steam turbines, expanders, gas turbine packages, and control systems.  
Website: [www.dresser-rand.com](http://www.dresser-rand.com)

**Drilling Controls Inc.**

Drilling Controls Inc. manufactures and sells BOP Systems for land drilling, workover, offshore applications, and multiplex systems as well as repair and refurbishment services.  
Website: [www.drillingcontrols.com](http://www.drillingcontrols.com)

**ECO Cleaning Systems**

Our HydroRecyClean systems, are integrated, closed-loop, cleaning systems that are used to: clean surfaces, recover fluids, filter contaminants into non-leachable byproducts and reuse the same fluids.  
Website: [www.ecocleaningsys.com](http://www.ecocleaningsys.com)

**EiToP**

Company provides manufacturing, upgrade and development, maintenance, supply and calibration of different tubular inspection equipments. The company became one of the primary manufacturers and suppliers in that field in the Middle East and worldwide.  
Website: [www.eitop.net](http://www.eitop.net)

**Elcharions Systems Technologies Ltd (ESTL)**

Elcharions provide the highest quality products and services in training, manpower development, resourcing, events and consulting in energy, environment, infrastructure and industry.  
Website: [www.elcharions.com](http://www.elcharions.com)

**ELECTRICAL LIFECYCLE SOLUTIONS**

E L S assist your company in the maintaining of your electrical assets. E L S works with the clients maintenance software to develop Data Management plans, Planning procedures and Reliability programs to ensure a healthy life for your equipment.  
Website: [www.electricalifecycleofsolutions.com/](http://www.electricalifecycleofsolutions.com/)

**Elk Environmental Services** - Comprehensive Environmental Services. 24 Hour Emergency Response - Oil & Gas Services, Frac Tank Rental & Cleaning, Trans & Disposal of Haz & Non-Haz, Waste Delineation & Remediation, Groundwater Management & Remediation RCRA/DOT/OSHA Training HDD  
Website: [www.elkenv.com](http://www.elkenv.com)

**Em Cable Service**

Wireline and fence cable sales; Cable installation and removal; Magnetic marking; Splicing both single and multi-conductor cables; Postform and normalize; Kink removal; Brush and oil.  
Website: [emcableservice.com](http://emcableservice.com)

**eMaint Enterprises, LLC**

eMaint Enterprises LLC is a provider of computerized maintenance management systems. Our eMaint Online and eMaint Enterprise cmms is ideal for facility, fleet, aircraft and equipment maintenance for business and public sector.

Website: [emaint.com](http://emaint.com)

**Emerson Process Management**

Micro Motion Coriolis flow and density meters provide measurement solutions that encompass the production, treatment, distribution, and processing of a wide variety of hydrocarbon fluids, gases, contaminants and produced water.

Website: [micromotion.com](http://micromotion.com)

**EMMCorp**

Provides lifting, rigging and marine mooring products, equipment and services including test and inspection, heavy wire rope spooling and rental to the worldwide oilfield markets.

Website: [www.emmcorp.com](http://www.emmcorp.com)

**ENSIL Technical Services**

ENSIL is the world's largest electronics diagnostic and repair organization. We can repair PCB's, monitors, power supplies, drives and controllers from all major manufacturers. Estimates are offered free of charge.

Website: [www.ensil.com](http://www.ensil.com)

**EPC Resources**

EPC Resources is capable of supplying experienced inspection, expediting, project support, manpower and resources to all major sectors in Power Generation, Mining, Petro Chemical, Oil and Gas, Transportation, Environmental, Process and Manufacturing.

Website: [www.epc-resources.com](http://www.epc-resources.com)

**Epic Integrated Solutions**

Provides the Oil and Gas sector with industry leading global training, operations documentation, data integration, and consulting services.

Website: [www.epicsolutionsllc.com](http://www.epicsolutionsllc.com)

**Equimo Ltd**

As a company, originally formed by a Professionals and Experts employed and working on their own, is now expanding to form one of the best organizations offering Engineering, Construction & Services to suit the O&G market requirement.

Website: [www.equimo.com](http://www.equimo.com)

**ESA Inc**

ESW offers customized training solutions and engineering services to meet your specific needs. ESW has been in business for 25 years and has a proven track record of providing solutions for fortune 500 companies and the US Government.

Website: [www.eswinc.com](http://www.eswinc.com)

**ESP Completion Technologies**

Describes the design, manufacture, installation of complex and dual electrical submersible applications.

Website: [espctlc.com](http://espctlc.com)

**Fender Care Marine Solutions**

A leading manufacturer and supplier of a range of products from fendering systems, marine hardware, deck mooring equipment, through to navigation and mooring equipment. We also specialize in Ship to Ship transfers and marine consultancy work.

Website: [www.fendercare.com](http://www.fendercare.com)

**Fenmar Senas Ltd**

Yokohama Fender Distributor Hire, Sale & Refurbishment of marine fenders.

Website: [www.fenmar.gi](http://www.fenmar.gi)

**FieldCo Energy Services**

FieldCo Energy Services sets the standard for superior customer service. FieldCo services include On-Site Machining, Module Inspection & Refurbish, Precision Alignment, Large Fabrication, Pipe Cutting, Rig Services, Well Head, and Equipment Rental.

Website: [www.fieldcoenergy.com](http://www.fieldcoenergy.com)

**FieldFX by LiquidFrameworks**

Optimizing the Job to Cash process for Oilfield Service Companies. Electronic Job Management & Field Ticketing - Software as a Service.

Website: [www.liquidframeworks.com](http://www.liquidframeworks.com)

**Fixturlaser**

Fixturlaser AB develops and manufactures laser based alignment instruments for rotating machinery.

Our products are user friendly tools that minimize the number of operations involved in the alignment process.

Website: [www.fixturlaser.com](http://www.fixturlaser.com)

**Fleetway Oilfield Service & Sales**

Fleetway Facility Services, Atlantic Canada's #1 Oil & Gas Service & Sales company. Providing Mechanical Services, Machining, Fabrication, Pipefitting, Inspection & Testing, NDT, Surveying & Dimensional Control, Weigh Scales, Engineering & Design.

Website: [www.fleetwayfacilityservices.ca](http://www.fleetwayfacilityservices.ca)

**FLEXIM AMERICAS Corporation**

FLEXIM provides process instrumentation solutions for all branches of industry. Its efforts are focused on non-intrusive flow measurement and inline process analysis.

Website: [www.flexim.com](http://www.flexim.com)

**Foley Engineering LLC**

Foley Engineering, LLC provides professional engineering services to the oil industry in Louisiana and Texas.

Website: [www.foleyengineering.com/](http://www.foleyengineering.com/)

**Force Logic UK Ltd**

Manufacturers of force / load / weight measurement sensors and systems. Load cells, force transducers and associated instrumentation.

Website: [www.force-logic.co.uk](http://www.force-logic.co.uk)

**Franklin Offshore**

Franklin Offshore Group of companies primarily serving the marine oil & gas industry located out of: Asia, Middle East, Australia, Europe & North America.

We are experienced & dedicated workforce for heavy lifting & mooring equipment & services.

Website: [www.franklin.com.sg](http://www.franklin.com.sg)

**G2MT Labs**

G2MT Labs is a full-service metallurgical testing and inspection company. Our laboratory is in Houston but our technicians come to you for nondestructive testing (NDT), failure analysis, and other metallurgical services.

Website: [www.g2mtlabs.com](http://www.g2mtlabs.com)

**GE Consumer & Industrial - Electrical Distribution**

GE can support your global needs for electrical equipment, controls, motors and equipment services.

We have a dedicated team of experts focused on the oil & gas industry. We provide innovative solutions to protect against the arc-flash hazard risk.

Website: [www.geelectrical.com](http://www.geelectrical.com)

**General Fabricators, Inc.**

General Fabricators, Inc. has now been in business for 31 Years. We serve the oil and gas industry in ASME pressure vessels, pipeline, spool piping, production packages, modules, general construction and offshore & inland hookup crews.

Website: [www.generalfabricators.com](http://www.generalfabricators.com)

**George Young Co.**

George Young Company has grown into a diverse, powerful organization engaged in Rigging, Millwrighting, Specialized Heavy Hauling, Plant Relocation and Warehousing.

Website: [www.gyco.us](http://www.gyco.us)

**Global Technology Group:** Technical Contract Labor  
Global Technology Group's core business is Technology Support to companies with mission critical operations in remote and harsh environments. 1. Technical & Safety Contract Labor 2. Managed Services ( Project focused) 3. Training Services

Website: [www.globalgroup.us](http://www.globalgroup.us)

**GOCS**

Gas and Oilfield support, Surface equipment and Service for petroleum companies operating in Tunisia, Lybia and Algeria. Mechanical construction, electrical and instrumentation, fire & gas detection, test instruments.

Website: [www.goocs.com.tn](http://www.goocs.com.tn)

**Goltens**

Goltens is a global provider of comprehensive service and repair technologies for marine, offshore and land-based industries and is active in all relevant markets across Europe, Asia, America and the Middle East.

Website: [www.goltens.com](http://www.goltens.com)

**Goodall Canada**

Goodall Canada offers a complete line of hose, conveyor belting, gaskets and packing and accessories, all of which are underwritten by our ability to fabricate these products in-house to ensure on-time delivery.

Website: [www.goodall-canada.com](http://www.goodall-canada.com)

**Griff Marine**

We provide professional repairs of NAV/COM equipment on board of merchant ships for MOST COMPETITIVE PRICES IN WHOLE EUROPE. Our engineers are periodically trained and very experienced.

We are certified by BV and RMRS.

Website: [www.griffmarine.com](http://www.griffmarine.com)

**GSO Pte Ltd**

GSO PTE LTD is a product and service supplier to the Oil & Gas (upstream & downstream) and Marine industry globally. Our head office and warehouse is located in Singapore with our networks based in Houston, India and Australia (Perth & Darwin).

Website: [www.gso-sg.com](http://www.gso-sg.com)

**GTS Energy, Inc.**

Newpoint Thermal, official supplier of GTS Energy Systems. Replacement Parts, Service, Project Information, and AutoCAD drawings available for your existing GTS Energy System. EQUIPMENT: Thermal Fluid, Direct Fired (API), Convection, & Bath Heaters.

Website: [www.gtsenergy.com](http://www.gtsenergy.com)

**Hausner Hard-Chrome Inc**

Industrial hard chrome plating on large barrels and rods. Solution providers for over 40 years. Approved source for ID plating of long lengths. Heavy chrome deposits available. Polishing grinding & machining. On site repairs, thermal spray.

Website: [www.hausnerinc.com](http://www.hausnerinc.com)

**HB Rentals**

HB Rentals is the world's premier supplier of onsite accommodations and auxiliary equipment for the oil and gas industry, both onshore and offshore.

Website: [www.hbrental.com/](http://www.hbrental.com/)

**HBP Company**

HBP is the main supplier of oil/gas processing equipments. Our key products include separator, metering systems, gas purification system, desanders. Our customers are in China, Lybia, Syria, Kazakstan, Sudan, Ecuador, Algeria, etc.

Website: [www.china-hbp.com/](http://www.china-hbp.com/)

**Heatec Jietong Pte Ltd**

Heatec JieTong Pte Ltd, the only public-listed company in Singapore Exchange Ltd providing One Stop Services in Heat Exchanger for Oil and Gas Industry.

Website: [www.heatec.com.sg](http://www.heatec.com.sg)

**HeatRep Industrial**

HeatRep specializes in fired process heaters, heat exchangers and service. Product lines include air heaters, glycol heaters, reboilers, condensers, API 560 fired heaters, crude heater, regen heaters, gas heaters and more.

Website: [www.heatrep.com](http://www.heatrep.com)

**Helicoil Thread Repair kits & Inserts**

We are leading suppliers of Genuine HeliCoil Products offering: Helicoil, Thread Repair Kit, Helicoil Wire Thread Inserts, Helicoil Inserts, Helicoil Installation Tools, Helicoil Thread Cutting Taps & Helicoil Gauges.

Website: [www.indiamart.com/helicoil](http://www.indiamart.com/helicoil)

**Hexatron Engineering Company**

HEXATRON ENGINEERING COMPANY has been making parts, gears, and sheet metal since 1982. We have the experience and the place to make the parts you need.  
Website: [hexatronengineering.com](http://hexatronengineering.com)

**HM Plating Company**

H & M Plating Co., Inc has provided processes utilizing electroplated hard chrome, sulfamate nickel, HVOF spray, cylindrical grinding & honing, and media blasting for the oil, petrochemical, marine, hydraulic, and manufacturing industries.  
Website: [www.hmplating.com](http://www.hmplating.com)

**Holly Pipe**

Holly Pipe supplies drillers world wide with quality horizontal and directional drilling tools, drilling tubulars, drill pipe inspection services, drill stem subs and connections. Holly Pipe also offers welding and precision machine shop services.  
Website: [www.hollypipe.com](http://www.hollypipe.com)

**Holpace Nigeria Limited**

Holpace Nigeria Limited is an indigenous Engineering company registered under the corporate affairs commission of Nigeria. Our core services are Engineering, Construction, Asset management, Procurement and Logistics.  
Website: [www.holpace.com](http://www.holpace.com)

**Houston Dynamic Service**

For over 35 years HDS Inc. has been a leading rotating equipment repair center servicing Texas, Louisiana, Canada & South America.  
Website: [www.houstondynamic.com/](http://www.houstondynamic.com/)

**Houston Motor & Control, Inc**

HMC is a Master Distributor for 36 yrs of several lines of motors, starters and drives such as: WEG, TECO-Westinghouse, Brook, Leeson, Marathon, Baldor, Sprecher + Schuh, & many more. We stock over \$800K in our facility in Houston.  
Website: [www.motor-hmc.com](http://www.motor-hmc.com)

**Hv Maintenance Contractor & Transformer Manufacture**

Hv maintenance contracts - to include test, installation, repair of Transformers, Invertors, Switchgear, Generator & Control systems. We have established a reputation for quality, delivery and workmanship. We also have manufacturing facilities.  
Website: [www.tppowerservices.com](http://www.tppowerservices.com)

**Hy-Bon Engineering**

From oilfield stock tanks, casinghead gas, field gas collection to biogas from wastewater facilities, digester tanks, landfills or breweries, Hy-Bon can design the package. We also design and mfg custom CNG packages for municipal applications.  
Website: [www.hy-bon.com](http://www.hy-bon.com)

**Hydraulic Power Services limited Worldwide**

Providing specialist hydraulic technical back up and breakdown services. Pressure and flow testing, flushing and system commissioning, steel pipework installation, accumulator charging and re-certification, trouble shooting, equipment survey.  
Website: [www.hydraulicpower.co.uk](http://www.hydraulicpower.co.uk)

**Hydraulic Systems Inc.**

Hydraulic Systems Inc. (HSI) designs, manufactures, and installs turnkey hydraulic systems for the mining, oil and gas industries.  
Website: [www.hydraulicssystemsinc.com](http://www.hydraulicssystemsinc.com)

**IDCON, Inc.**

A Reliability and Maintenance Management Consultant firm. We help industry to educate, train, and implement better reliability practices.  
Website: [www.idcon.com](http://www.idcon.com)

**IMS Ltd**

IMS provides industrial gas turbine support including gas turbine maintenance, gas turbine repairs, gas turbines for sale and field service engineers.  
Website: [www.intmaintserv.com](http://www.intmaintserv.com)

**In-Situ Machining Solutions Ltd.**

Flange Facing, Pipe Cold Cutting, Portable Milling, Journal Turning, Stud Removal, In-Line Valve Repair, Weld Preps, In-Place Machining Services.  
Website: [www.insitumachining.com](http://www.insitumachining.com)

**Industrial Equipment & Tools**

Repair of rams and pumps sell of new equipment automotive industrial hydraulic torque wrenches bolting tools. Flir Hamamatsu L3 thermal imaging cameras. Air Compressors, Vehicle Lifts large and small, shop equipment air tools. Ardrex, Oakite products.  
Website: [www.naltic.com](http://www.naltic.com)

**Industrial Maintenance Group, LLC**

IMG is a full service field service organization operating in 48 States. Personnel includes certified welders, millwrights, electricians, and metal fabricators. We operate a fleet of service vehicles fully equipped to perform industrial tasks on site.  
Website: [www.imgco.biz](http://www.imgco.biz)

**Integrated Engineering Services (Aberdeen) Ltd**

Specialists in Heating, Ventilation and Air Conditioning (HVAC) to industries reliant on high integrity HVAC systems for Safety, Process and Operational demands both within the North Sea, UK and internationally.  
Website: [www.ies-ltd.co.uk](http://www.ies-ltd.co.uk)

**Integrated Global Services**

Provides solution for erosion and corrosion problems in mission critical equipment in the power generation oil & gas, petrochemical mining and paper industries. Solutions include weld overlay-, thermal spray- and mechanical services.  
Website: <http://www.integratedglobal.com>

**Ironclad**

Ironclad pioneered this new territory developing task-specific gloves that helped each worker get the job done more safely, efficiently and effectively.  
Website: [ironclad.com](http://ironclad.com)

**Isleburn Mackay & Macleod Ltd**

Fabrication & Engineering Services to rig operators and the topsides/subsea contractors for offshore industry projects and terminal or refinery extensions.  
Website: [www.isleburn-mm.com](http://www.isleburn-mm.com)

**ITS Drilling Services**

A Rental, Sales & Service Company Supplying Liquid Recovery Units, Rigvac Units, Sludge Gulpers, Wilden Pumps, Hot & Cold Pressure Washers, Trash Compactors and Waste Management Systems to the Oil & Gas Industry.  
Website: [www.its-uk.co.uk](http://www.its-uk.co.uk)

**Jamko Technical Solutions, Inc.**

Jamko Technical Solutions, Inc. is a privately held corporation with its headquarters in Lyons, New York. Established in 2001, Jamko provides advanced field services, adjunct engineering, and imaging products to various markets around the globe.  
Website: [www.jamkocorp.com](http://www.jamkocorp.com)

**Jokas Oilfield Services Ltd**

Jokas Oilfield Services (JOS) Ltd is one of the leading oilfield services company in Ghana and West Africa. We are considered as one of the main suppliers for the Oil and Gas Industry, Public and Private Sectors.  
Website: [www.jokasoilfieldservices.com](http://www.jokasoilfieldservices.com)

**JST Group**

We are a supplier of Corrosion Engineering, Technical Services, Specialist Equipment and competent Manpower (Thai & Expatriate). We are also the representative office for a large number of companies servicing the Oil, Gas and Petrochemical industries.  
Website: [www.jst-thailand.com](http://www.jst-thailand.com)

**Kell Safety**

Supply and servicing of all types of fire & safety equipment. Extinguishers, Fire Hose, Fixed Suppression Systems, Breathing Apparatus, Foam Equipment, Pressure Relief Valves, etc. Offshore-Onshore-Marine-Worldwide  
Website: [www.kellsafety.com](http://www.kellsafety.com)

**Kenwell Offshore Pte Ltd**

Kenwell Offshore Pte Ltd is an Authorized Distributor and Regional Service Centre for Yokohama Rubber Co., Ltd (Japan) in Singapore.

Website: [www.kenwell.com.sg](http://www.kenwell.com.sg)

**Kingston Systems Ltd**

Engineering consulting organization specializing in applied upstream technology. Main areas of focus on drilling rigs: control systems design, commissioning, acceptable, inspection, rig audit, software risk assessment, drilling process improvement.

Website: [www.kingston-systems.com](http://www.kingston-systems.com)

**KNM Group Berhad**

A website of a world-class equipment process manufacturer for the oil, gas, petrochemical and minerals processing industries, with an established and extensive track record. A company originated from Malaysia.

Website: [www.knm-group.com](http://www.knm-group.com)

**Latco Maritime Oil & Gas Services Ltd**

Latco Maritime Oil & Gas Services Ltd, incorporated on the 4th of May, 2011 to offer engineering, procurement, installations, inspection of production/process facilities, construction and maintenance services to the oil and gas industry.

Website: [latcooil.com/](http://latcooil.com/)

**LCM Oil & Gas Ltd.**

LCM Oil & Gas is a UK technical consultancy, maintenance and construction company with the head office in London.

Website: [www.lcmoil.com](http://www.lcmoil.com)

**Lifeboat Repair Station**

RHIB builder, marine equipment supplies, repair and yard services. Authorised parts and service dealer for Volvo Penta engines, CMD, Mercury/Mariner outboards. Certified lifeboat & rescue craft repair station.

Website: [www.performance-boating.com](http://www.performance-boating.com)

**Lloyd's Register Aberdeen**

We provide a comprehensive range of added-value corrosion engineering services to clients world-wide.

Website: [www.lr.org](http://www.lr.org)

**Louisiana Machinery**

Louisiana Machinery offers Sales, Parts and Service of Cat Diesel and Natural Gas Engines and Generator Rentals for the Petroleum and Marine industry. Dockside service at Morgan City and custom engine packaging at our New Iberia, LA headquarters.

Website: [louisianamachinery.com](http://louisianamachinery.com)

**Lubrication Engineers, Inc**

High Performance Lubricants Single and Multipoint Lubricators Oil Analylas Filters, Breathers, Sight Glass.

Contact: Jason Wheelless 281-832-4798

Website: [www.le-inc.com](http://www.le-inc.com)

**Mactech Europe UK Ltd**

Mactech Europe Ltd has a large range of drilling and trepanning machines to cover any application and can accommodate sizes in excess of 12" diameter and 500mm in depth.

Website: [mactechurope.co.uk](http://mactechurope.co.uk)

**Maintech Maintenance, Inc. "Web-based Solutions"**

We offer a user friendly, secure, web-based preventive maintenance, asset tracking, and parts inventory program for marine and drilling companies. Now available for directional drilling! A must see well-logging tool tracking system.

Website: [www.maintech-usa.com](http://www.maintech-usa.com)

**Marin Group**

The global energy industry's first choice for full ocean depth subsea excavation, recovery, decommissioning and troubleshooting. Marin Group has bases in the UK, Asia Pacific, Gulf of Mexico, South America, and Middle East.

Website: [www.marinsubsea.com](http://www.marinsubsea.com)

**Marine Equipment Repairs and Parts Supply**

Cross Services handles repairs and parts for all types and brands of marine equipment, especially anchor handling and towing winches. Cross also manufactures our own line of made to order deck machinery. Used and Rebuilt Equipment available.

Website: [www.crossservices.com](http://www.crossservices.com)

**Marine Sales and Services**

We are major distributors in Marine Equipment Sales and Electronics Services.

Website: [www.mcl.co.tt](http://www.mcl.co.tt)

**Maskindynamikk A/S**

Maskindynamikk A/S has become a leading company within data-acquisition and measurement services.

We measure and analyze vibrations from rotating machinery.

Website: [www.maskindynamikk.no](http://www.maskindynamikk.no)

**Master Universal Technologies**

We are a Electronic / IT company that specialize in the Oil and Gas Field. We maintain, Repair, Install and troubleshoot equipment all over the world.

Website: [www.masteruniversaltechnologies.com](http://www.masteruniversaltechnologies.com)

**Maxpro Corporation**

Maxpro is a distributor specializing in pneumatic, electric & hydraulic bolting equipment. With nearly 20 yrs of industry experience, we are experts in solving the most difficult bolting needs. We sell, rent, repair & calibrate bolting equipment.

Website: [maxprocorp.com](http://maxprocorp.com)

**McNICHOLS CO.-** Nationwide Steel Service Centers  
Worldwide leader providing Perforated & Expanded, Wire Mesh, Bar, Plank, & Fiberglass Grating, Floor Plate, Matting. E-commerce website with product technical specs, photos, CAD dwgs, stock info & ability to inquire & purchase on line.

Website: [www.mcnichols.com](http://www.mcnichols.com)

**Micro-Bac International, Inc.**

Micro-Bac International is considered a world leader in the development of microbial products that improve oil production.

Website: [www.micro-bac.com](http://www.micro-bac.com)

**Moorhouse Drilling & Completions**

Information and site for Moorhouse Drilling & Completions, a UK based consultancy company specializing in land work in the UK and Europe.

Website: [www.moorhousepetroleum.co.uk](http://www.moorhousepetroleum.co.uk)

**Morgan Brake and Clutch**

Wholesale/retail distributors and manufacturers of new, aftermarket, and custom brakes, clutches and friction materials for industrial machinery. Servicing the mining, marine, construction, oil and gas industries for over 70 years.

Website: [www.morgan.ca](http://www.morgan.ca)

**NBB Dredging & Offshore Engineering**

NBB engineering, your partner in dredging and offshore services

Website: [www.nbbengineering.com](http://www.nbbengineering.com)

**Neville Roe Industries Ltd**

Situated in The Steel City of Sheffield, South Yorkshire, UK, Neville Roe Industries Ltd (NRIL) offers a full, in-house, Grinding, Polishing and Hard Chrome Plating service covering the Hydraulics, Plastics, Oil and General Engineering Industries.

Website: [www.nevroeind.com](http://www.nevroeind.com)

**Newpoint Thermal**

Equipment Offered: Gas & Oil Fired Thermal Fluid Systems, Direct Fired & Convection Process Heaters, Low Temp Process Bath Heaters, & Waste Heat Recovery Units.

Website: [www.Newpointhx.com](http://www.Newpointhx.com)

**Nexus Global Business Solutions, Inc.**

Nexus Global Business Solutions, Inc. takes pride in offering comprehensive Asset Performance business solutions throughout our Global Network. We excel at Connecting Knowledge and Excellence.

Website: [nexusglobal.com](http://nexusglobal.com)

**NRG Manufacturing**

NRG Manufacturing has over four decades of experience in the design, engineering, assembly and testing of drilling system components, ASME pressure vessels, substructures and frac equipment.

Website: [www.nrgm.com/](http://www.nrgm.com/)

**Ocean IRM Ltd**

Ocean IRM specializes in inspection, repair & maintenance. Our services include NDT, welding/fabrication, blasting/painting, rope access, diving, scaffolding, project management & consultation. We have links to shipyard facilities across the globe.

Website: [www.oceanirm.com](http://www.oceanirm.com)

**Offshore Marine Services**

Offshore Construction & Shipping Agent

Website: [www.dutamarine.com](http://www.dutamarine.com)

**Offshore Source**

Designers & Manufactures of drilling support equipment, we are the original jacking systems provider, entering the industry in 1958. We design, manufacture & support worldwide, various turnkey solutions of equipment lines for the offshore industry.

Website: [www.off-shore-source.com](http://www.off-shore-source.com)

**Offshore Works Group Sdn Bhd**

The group is synergized and succeeded by highly esteemed subsidiaries. We excel and are experts of various offshore construction supports comprised of Subsea Works, Seismic Survey, Construction & Engineering, and Ship Management.

Website: [www.offshoreworksgroup.com](http://www.offshoreworksgroup.com)

**Offshore-Inland Marine & Oilfield Services**

Premier service provider of topside repair, ship conversion, machining, tubing, piping, fabrication, and installation to the offshore drilling and the ocean going marine industry.

Website: [www.offshoreinland.com](http://www.offshoreinland.com)

**OGT - Suppliers of Industrial Parts & Products**

Suppliers of expansion joints, gaskets, gland/valve packings, mechanical seals, insulations, pumps, flanges, chemicals, Graphite/PTFE items, Japanese spares, gauges, valves in the Middle East. Agents of Frenzelit and M7A Technic, Germany.

Website: [www.ogtonline.com](http://www.ogtonline.com)

**Flame Fix**

Oil and Gas service, repair and commissioning.

Flame Fix provides oil and gas service, repairs and maintenance. Covering the Exeter / Mid Devon region for domestic appliances, oil and gas combi boiler fault finding, landlord safety certificates and emergency plumbing repairs.

Website: [www.flamefix.co.uk](http://www.flamefix.co.uk)

**Oil States Industries, Inc.**

Engineering, Procurement, Manufacturing for Offshore Oil & Gas Applications, Cranes, Winches, Rubber.

Manufacturers & Suppliers

Website: [www.oilstates.com](http://www.oilstates.com)

**Oilfield Technical Services**

OTS is an independent third party provider of onshore and offshore support services. With our diverse team, authorized representatives and service locations, we can support our clients anywhere.

Website: [www.oftslc.com](http://www.oftslc.com)

**Olympian Oilfield Services**

Olympian offers a complete suite of Quality Management services from Third Party inspection monitoring, Project Management, Quality Audits, Complete Quality Program initiation and implementation, HSE consulting services, and Failure Analysis.

Website: [www.olympianoil.com](http://www.olympianoil.com)

**OTEAC Ltd**

OTEAC is a well established company who specializes in the sale or hire, Installation, Maintenance, Testing and Certification of Fire, Marine Safety, Security and Pressure Equipment.

Website: [www.oteac.co.uk](http://www.oteac.co.uk)

**Partserv Equipment Pte Ltd**

Partserv Equipment Pte Ltd is a privately owned company based in Singapore dealing with the supply of Cranes, Piling, Construction & Mining Equipment Spare Parts.  
Website: [www.partserv.com/](http://www.partserv.com/)

**Performance Air & Winch Services**

Performance Air & Winch Services, LLC is a full service state of the art hydraulic repair facility. Our success is directly related to the satisfaction of our customers as we feel your need to have excellent service delivered with a great attitude.  
Website: [www.pas-pws.com](http://www.pas-pws.com)

**Performance Lubricants & Chemicals**

You gateway to quality oil based cleaning products, and total Electric pressure washers  
Website: [www.plc-usa.com](http://www.plc-usa.com)

**Performance Wellhead & Frac Components**

Performance Wellhead & Frac Components is a leading supplier of wellhead, gate valve, frac components, and manifolds.  
Website: [pwfrac.com](http://pwfrac.com)

**Petrohans Tritunggal, PT**

Established in January 11, 1992. We provide support services and a fabrication facility to fulfill the needs of our clients worldwide. Services include welders training, qualification & placement. We fabricate pig launchers/ receivers & pressure vessels.  
Website: [www.petrohans.com](http://www.petrohans.com)

**PetroJob Romania**

Our mission is to help both companies & candidates find suitable employment agencies.  
Industrial - IT - Technical - Construction - Telecomm - Maritime - Offshore - Oil & Gas - Petrochemical  
Website: [www.petrojob.ro](http://www.petrojob.ro)

**Petroleum Spare Parts**

Oil and Gas and Petroleum Spare Parts , commissioning, 2 years and stock replenishment Rotating machinery, E&I, piping and valves, static equipment, chemical, package, speciality items.  
Website: [www.petroleumspareparts.com](http://www.petroleumspareparts.com)

**PETROTECK**

Petroteck is the leader in Digital, Fully Automated Smart Oil Well Pumping Systems (DPLCC) providing wireless Real-Time monitoring and communication between local or remote oil wells and command centers thru secure GSM/GPRS-Mobile telecommunications.  
Website: [www.petroteck.com/](http://www.petroteck.com/)

**Petrustech Oil & Gas Ltda ME**

Petrustech offer NDT inspection, Welding, Fabrication, Hydroblasting & Painting services for on, or offshore locations, at height, confined space or subsea, rigging & lifting, drops, NR10 compliance, "Ex" electrical surveys and many other services.  
Website: [www.petrustech.com.br](http://www.petrustech.com.br)

**PollutionTech**

Air Pollution Equipment does not add any value to the process but can cost thousands even millions to operate. PollutionTech designs and optimizes the equipment so that the right technology is selected and the bottom line is improved.  
Website: [www.pollutiontech.com](http://www.pollutiontech.com)

**Power Control Services Inc.**

Power Control Services Inc. is your oilfield electronic repair specialist for SCR and Generator controls. We offer 24 hour services,5-day turn around, limited lifetime warranty on all repairs, and ISO 9002 compliance.  
Website: [www.powercontrolservices.com](http://www.powercontrolservices.com)

**Procedure Accelerator**

Procedure Accelerator is an innovative software system that greatly simplifies the task of creating and maintaining asset level standard operating procedures in complex industrial environments including Oil and Gas and Chemical Processing industries.

Website: [www.procedureaccelerator.com](http://www.procedureaccelerator.com)

**Prosafe ASA**

A leading and innovative supplier of products and services within selected niches of the global oil and gas industry.

Website: [www.prosafe.com](http://www.prosafe.com)

**Proserv Qatar LLC**

Proserv is a High Pressure Engineering company who is a market leader in Well Head control Panels, Chemical Injection Skids, Pressure test Units.

Website: [www.proserv-group.com](http://www.proserv-group.com)

**Pulsation Dampener Service**

We specialize in the field repair of all types of pulsation dampener assemblies. We currently service the East Texas, North Louisiana, and DFW. We have the absolute best record for bladder life, and service availability with competitive pricing.

Website: [www.pulsationdampenerservice.com](http://www.pulsationdampenerservice.com)

**R. Baker & Son All Industrial Services**

R. Baker & Son All Industrial Services is the premier specialized contractor for rigging, plant & machinery moving, dismantlement, decommissioning and demolition in the United States, Canada and Puerto Rico.

Website: [www.rbaker.com](http://www.rbaker.com)

**RBG USA, Inc.**

RBG USA - Mechanical Services provides "Innovative Bolting Solutions" to the Energy Industry. We offer a broad range of resources from, technical support, training, design solutions, and equipment to assist with your critical bolting applications.

Website: [www.rbgld.com](http://www.rbgld.com)

**Red One Limited**

Red One Ltd is the trading enterprise of Devon & Somerset Fire & Rescue Service, the UK's largest non-metropolitan fire service. We provide firefighting training, staff & project support to the oil, gas, chemical and energy industries worldwide.

Website: [red1ltd.com](http://red1ltd.com)

**Refrigeration (Aberdeen) Ltd**

Refrigeration (Aberdeen) Limited is well situated to provide excellent service and maintenance assistance for all types of refrigeration and air conditioning equipment both on and offshore.

Website: [www.refrigeration-aberdeen.com](http://www.refrigeration-aberdeen.com)

**Reliable Enterprises**

Freight Forwarders, Clearing Services & Oil Field Supplies

Website: [www.reliableent.net](http://www.reliableent.net)

**InsulSpek**

Removable, Hi-temp Insulation Covers/Pads

Removable, reusable insulated valve covers represent the state-of-the-art method for insulating valves, fittings and other specialized processing equipment.

Website: [www.insulspek.com](http://www.insulspek.com)

**Renown Oil and Gas**

Specialist engineering service provider to the Oil & Gas industry. Capabilities include design, weld overlay cladding, CNC machining and fabrication. Renown Oil and Gas offers support service to major manufacturers of subsea engineered components.

Website: [www.renown-oil-and-gas.co.uk](http://www.renown-oil-and-gas.co.uk)

**Rig Machinery Consultants**

Rig Machinery Consultants is a company founded to service and support the Oil and Gas Industry, particularly in the preventative maintenance sector. Our headquarters are in Tabasco, Mexico with our services carried out anywhere in the world.

Website: [rigmachineryconsultants.com](http://rigmachineryconsultants.com)

**Rigblast Group Limited**

Leading supplier of integrated support services to the oil & gas industry. For over 28 years Rigblast has provided clients with a range of engineering and support services, both on and offshore.

Website: [www.rigblast.com](http://www.rigblast.com)

**Roberts Hydraulics**

Roberts Hydraulics manufactures, repairs hydraulic/ pneumatic cylinders, pumps, motors, actuators, valves & power units. Our field technicians provide onsite analysis (testing), help with breakdown and delivery of repaired parts.

Website: [americanhydraulicseals.com](http://americanhydraulicseals.com)

**Robt. Stone [ME] LLC**

Robt. Stone [ME] LLC is a leading EPC and Maintenance Contractor for Pipeline and Process Plants in the Oil and Gas sector of the Middle East.

Website: [www.robstone.ae](http://www.robstone.ae)

**ROCOL Lubricants and Site Safety**

ROCOL manufactures a range of innovative greases, oils, anti-corrosion coatings, metalworking fluids, lubricants, aerosol paints, anti-slip floor coatings and panels suitable for industrial, offshore and marine applications.

Website: [www.rocol.com](http://www.rocol.com)

**S&P DAC Services LLC**

S&P DAC Services LLC, has 35+ years cumulative experience in the VFD, SCR, automation, electrical and controls industry. Over 25 years dedicated to the oil and gas industry.

Website: [www.spdac.com](http://www.spdac.com)

**S. Zia ul Haq & Sons (Catering & Camp Management)**

S.Zia ul Haq & Sons is one of the leading services provider to oil, gas, power industry. We have adequate resources, qualified and trained manpower, food safety certification, to provide services in any remote area of the world.

Website: [www.zias.com.pk](http://www.zias.com.pk)

**Safwan Petroleum Technologies Company**

Safwan is a oilfield services provider based in Kuwait, providing services to the oil operators in the region. Safwan is specialized in production equipment services, production well testing services and production facilities.

Website: [www.safwanpetro.com](http://www.safwanpetro.com)

**Sage International**

SAGE International has been active in the UAE for 35 years. Servicing International Business Establishments while offering quality professional solution for large and medium size projects.

Website: [www.sage-intl.com](http://www.sage-intl.com)

**Sallyport Oil & Gas Exploration Services**

Sallyport's experienced professionals can quickly procure, build, operate and maintain operational facilities in remote and hostile regions of the world. It has operations throughout Middle East-Africa.

In Iraq it is a licensed security company.

Website: [www.sallyportglobal.com](http://www.sallyportglobal.com)

**Saltronix, Inc. - Instrumentation Service Center**

We offer Repair, Calibration and Certification of all sorts of industrial equipment: Annunciators, Multimeters, Pressure Gauges, Thermometers, Pipe Locators, Gas Monitors, Controls, Power Supplies and More! NIST Traceable Equipment Certifications.

Website: [www.saltronix.com](http://www.saltronix.com)

**Sardello, Inc.**

Sardello, Inc. is a recognized leader in supplying high end remanufactured components. Our fully documented Quality Assurance program ensures that all remanufactured components perform at the same efficiency as original equipment.

Website: [www.sardello.com](http://www.sardello.com)

**Savanna Energy**

Savanna Energy Services Corp. is a premiere contract drilling and well servicing company providing safe, efficient, and cost-effective energy services for the petroleum and natural gas industry throughout western Canada and the United States.

Website: [www.savannaenergy.com](http://www.savannaenergy.com)

**Scancrown ApS Offshore & Marine Service**

ScanCrown supplies both manpower and a type-approved workshop/container concept that ensures the start and completion of assignments in offshore industries and the maritime sector.

Website: [www.scancrown.com](http://www.scancrown.com)

**SCHAEFER & URBACH GmbH & Co. KG**

For more than 80 years SCHAEFER & URBACH have developed and supplied equipment and components for systems and high-pressure plants to customers throughout the world. All of the supplied equipment is manufactured at the SCHAEFER & URBACH workshop.

Website: [www.schaefer-urbach.com](http://www.schaefer-urbach.com)

**Schenck Trebel USA**

Complete range of balancing machines, services, vibration analysis and condition monitoring for rotors, impellers and pump assemblies that meet, or exceed API, ISO and ANSI performance specifications.

Website: [www.schenck-usa.com](http://www.schenck-usa.com)

**SeaTrepid International**

SeaTrepid International, LLC is an underwater engineering organization specializing in applied robotic solutions in support of oil & gas, commercial, public safety, municipal, military and scientific applications.

Website: [www.seatrepid.com](http://www.seatrepid.com)

**Sebastian River Precision Machine**

Machining of precision metal parts and assemblies, hydraulic repairs, powder coating anodizing, prototype machining, lathe turning milling, tooling.

Website: [www.srpmachine.com](http://www.srpmachine.com)

**Separator Spares & Equipment, LLC**

Specializes in high-speed disc centrifuge spare parts, units, and services. One of the largest stocking and truly independent suppliers in the Americas of genuine and aftermarket Alfa Laval and GEA Westfalia spare parts for high-speed separators.

Website: [www.separatorquipment.com](http://www.separatorquipment.com)

**SITEK Engineering**

Specialist provider of electrical, instrumentation and control systems engineering and support services to the upstream oil and gas industry.

Website: [www.sitekengineering.co.uk](http://www.sitekengineering.co.uk)

**Skystone Engineering**

Skystone is a specialty firm that offers comprehensive engineering, technical and management services and solutions for the oil and gas industry.

Website: [www.skystone.ca/](http://www.skystone.ca/)

**SOLAS MODU Marine Services Pvt. Ltd.**

As per our name- SOLAS and MODU, our Company deals primarily with Marine and Offshore Oil Industry- Rigs, Offshore Installations to meet the Class and Statutory requirements as per SOLAS and MODU Codes.

Website: [www.solasmodumarine.com](http://www.solasmodumarine.com)

**Southernfield**

Emergency Field Services & Preventative Maintenance of combustion equipment and material handling systems, including stokers, precipitators, and baghouses.

Website: [www.southernfield.net/](http://www.southernfield.net/)

**Southey Contracting**

Southey operates as the holding company and is the driving force behind a diverse and growing number of independent and autonomous businesses, representing one of the largest and most respected privately owned groups in South Africa.

Website: [www.southeycontracting.com/](http://www.southeycontracting.com/)

**Star Metal Fabrication, Inc.**

At Star Metal Fabrication, Inc. we strive to manufacture quality metal equipment to service the oil, gas, construction, chemical, farm, and ranch industries.

Website: [www.starmetalfab.com](http://www.starmetalfab.com)

**Submec**

Mechanical Design Engineering Manufacture & Testing of Subsea Tooling & Equipment Design of ROV & ROV Systems; Maintenance & Servicing of Subsea & ROV Tooling & Equipment

Website: [www.submec.com](http://www.submec.com)

**Subsea Pro Engineering Pvt Ltd.**

We offer a dynamic team of subsea engineers available to work in any part of the world. Our engineers will be available to assist during normal drilling operations, end of well, rig move, riser maintenance and also can fill temporary positions.

Website: [www.subseapro.net](http://www.subseapro.net)

**Subsea Technologies Limited**

STL has developed a range of highly reliable industry-leading quality products that are now being successfully deployed worldwide for riser and riserless subsea well intervention, including: Xtreme Release (XR) Connector SLIC Connector.

Website: [www.subseatek.com](http://www.subseatek.com)

**Superior Oilfield Support - SOS**

Superior Oilfield Support offers first class project support services, our teams have over twenty years experience dealing with many aspects of grand scale oil and gas projects. Houston, Manila, Singapore, in a crisis, call SOS.

Website: [www.texas-sos.com](http://www.texas-sos.com)

**Survival / Rescue Craft sales and service center**

Norsafe Singapore is strategically located near shipping and offshore hub, specializes in repair, maintenance and overhaul for lifeboats, MOB's, rescue crafts, workboats, davits and launching systems.

Website: [www.abemarine.com](http://www.abemarine.com)

**T.C.Hydraulic Solutions Inc.**

Hydraulic Manufacturing, Service, Repairs, Engineering, Installations, BOP & Rotary Hoses, Custom Cylinders and Hydraulic Power Units, Stucchi Fittings and more.

Website: [www.tchsinc.com](http://www.tchsinc.com)

**Taskmaster Technologies Inc**

Taskmaster Technologies Inc. focuses on providing customers innovative product solutions and unparalleled services to the mining, oil & gas, agricultural and pulp/paper industries.

Website: [www.taskmaster-inc.com](http://www.taskmaster-inc.com)

**Tech Oil Products & Enviro-Pak Compactors**

Tech Oil Products manufactures Enviro-Pak offshore waste compactors, hazardous and non-hazardous waste compactors, drum crushers, filter crushing equipment, offshore food grinders, and recycling waste compactors. Offshore baskets and SafeSub baskets.

Website: [www.enviro-pak.net](http://www.enviro-pak.net)

**Techspec Solutions**

Techspec Solutions provides a comprehensive services range for the Oil & Gas, Marine, Pharmaceutical and Civil sectors around the globe, steel construction, repair, maintenance, inspection, derricks, refineries, bridges, cranes, coatings etc.

Website: [www.techspecsolutions.com](http://www.techspecsolutions.com)

**Telecoms Support, Inc**

Providing telecommunications support services for onshore and offshore oil companies on a contract basis.

Website: [www.telecommsupport.com](http://www.telecommsupport.com)

**Testing Equipment Europe**

We are official reseller off OFI Testing Equipment for Europe. We are selling, renting and repairing testing equipment like viscometers, mudbalance, sandcontent, filter press.

Website: [www.te-europe.nl](http://www.te-europe.nl)

**TexOcean International**

TexOcean is in the business of renting and selling new and used DNV 2.7-1, Storage and Shipping containers throughout North America.
