

## Support Services – Rental

### **3G Manifold LLC**

3G Manifold is bringing something new to the oilfield and fracing industry. We have developed a system that significantly reduces the possibility of leaks where the joints of manifold are secured together.

Website: [www.3gmanifold.com](http://www.3gmanifold.com)

### **Access Unlimited Snowmaking**

Access Unlimited is a premier snowmaking and snow bridge construction company offering service throughout Northern Canada. We will provide safe reliable service for all of your remote snowmaking needs.

Website: [www.oilfieldsnowmaking.com](http://www.oilfieldsnowmaking.com)

### **Aggreko, Inc.**

Worldwide quality rental of silenced generators, oil free compressors, temperature control equipment and other support equipment.

Website: [www.aggreko.com](http://www.aggreko.com)

### **Airpac Bukom Oilfield Services**

Airpac Bukom is a specialist air compression and on-site steam generation equipment rental company. We supply to the well test, pipeline, underbalanced rilling, gas transfer and rig repair and maintenance markets globally.

Website: [www.airpacbukom.com](http://www.airpacbukom.com)

### **Al Fayah Metallic Industries LLC**

Air Dryers, Chemical Dosing Skids, DNV 2.7.1 Skids, Scrubber, Coalescent Filters, Oil Water Separators, Launchers & Receivers, Boilers, Tanks, Vessels & Piping systems with design, manufacture, supply, installation, testing and commissioning.

Website: [www.alfayah.com](http://www.alfayah.com)

### **Allis-Chalmers Energy**

Directional drilling services, casing and tubing services, underbalanced drilling, production and workover services and coliled tubing units, rental of drill pipe and blow-out prevention equipment and international drilling and workover services.

Website: [www.alchenergy.com](http://www.alchenergy.com)

### **Almansorin Construction co. ACCO**

We are Libyan Construction Company Found in 1986, we have executed several projects during the last 20 years.

Website: [www.accolibya.com](http://www.accolibya.com)

### **Alpha Integrated Solutions**

Alpha Integrated Solutions provides high quality rope access inspection, repair and maintenance services to the global energy industry. We deliver these services to the on & offshore oil and gas, shipping and power generation sectors.

Website: [www.alphais.com.au](http://www.alphais.com.au)

### **Alpha Seismic Compressors**

International provider of customized high pressure and high volume compressors for seismic and industrial applications. Air source solutions for harsh and demanding environments. Specializing in long term rentals, sales and service.

Website: [www.alphaseismiccompressors.com](http://www.alphaseismiccompressors.com)

### **Alpine Satellite**

Alpine Satellite has been in business for over 25 years of services installing and supplying communication equipment. With our diverse experience there is nothing we can't handle in the communications world. Supplying rental and sales and 24/7 support.

Website: [www.alpinesatellite.com](http://www.alpinesatellite.com)

### **Alstern Technologies Group**

Alstern Technologies Group is a specialist pipeline solutions provider focused on piping and pipeline integrity, maintenance and online modifications.

Website: [www.alstern-technologies.com/](http://www.alstern-technologies.com/)

### **American Safety Services , Inc.**

Since 1991 providing H2S Rental Equipment, Confined Space Rescue and Equipment and Safety Pesonnel for Drilling, Production and Refining Operations in California, Oregon and Nevada.

Website: [www.americansafetyservices.com](http://www.americansafetyservices.com)

**AmpSCO**

Crew change, spare parts, ship supply, offshore petroleum services, spare parts, agency services.

Website: [www.ampSCOegypt.com/](http://www.ampSCOegypt.com/)

**AMR Offshore**

AMR Offshore is your single source for all HSE/Medical/ Training needs. Our concept is to offer our customers an HSE/Medic/Clerk. We offer ALL OTC and PPE items. Our buying power saves YOU money! Our day rate is ALL-Inclusive!

Website: [www.amroffshore.com](http://www.amroffshore.com)

**Arecon Data**

Arecon Data is the leader in tubular asset management for OCTG, Drill Pipe, and Line Pipe. Tracking the complete history on a per joint basis for all inspections, repairs, usage, location, and logistics.

Website: [arecondata.com](http://arecondata.com)

**Armada Rig Builders Pte Ltd**

We build, designs and deliver marine geotechnical and coring solutions specific to customer requirements. We create drilling systems that offers unparalleled efficiency in drilling performance, maintenance, reliability and mobility.

Website: [www.armadarig.com](http://www.armadarig.com)

**Aservin S.A**

Equipment supplier and field operations for the Oil & Gas industry and industrial processes in Latin America. (Site in Spanish).

Website: [www.aservin.com.co](http://www.aservin.com.co)

**Ashtead Technology - Rentals**

Equipment Rental Specialists - offshore survey, ROV sensors, remote visual inspection, NDT, environmental monitoring, more. Website: [www.ashtead-technology.com](http://www.ashtead-technology.com)

**ASN Compression, Inc.**

Distributor, service and parts center, Quebec and Ontario for Sullivan-Palatek, SAMSUNG Turbo compressors, Con-

tinental Blowers. SPX Deltech, Tuthill, Montreal, Toronto, Quebec

Website: [www.asncompression.ca](http://www.asncompression.ca)

**ATRAC**

ATRAC is a professional safety company, solution oriented and specialized in conducting inspections and load tests, optimize asset utilization in a safe environment for people and equipment.

Website: [www.atrac.net](http://www.atrac.net)

**B & G Crane Service**

We are a mobile crane rental company who have been in business for more than 20 years. We have manned mobile cranes from 30-600 tons. We service the Gulf Coast area from New Orleans down to Houston and all surrounding areas.

Website: [www.bgcrane.com](http://www.bgcrane.com)

**B&B Pump & Equipment Rentals, Inc.**

B&B Pump&Equipment Rentals provides the Oil & Gas industry with reliable rental equipment and dependable service. We offer diving contractors and service companies a variety of rental equipment. We are located along the Gulf Coast in Morgan City, La.

Website: [www.bbump-equipmentrentals.com](http://www.bbump-equipmentrentals.com)

**Baker Tanks and Pumps**

Baker Tanks, Inc. rental equipment includes frac, mud and poly tanks, pumps, hose, mix tanks, and stainless steel tank trailers. Baker offers 24-hour service from more than 33 strategically located rental service centers nationwide. 1-800-BAKER12.

Website: [www.bakertanks.com](http://www.bakertanks.com)

**BakerCorp**

BakerCorp retains an extensive inventory of over 19,000 pieces of equipment including more than 17 varieties of steel tanks, roll off boxes, pumps, filtration, shoring and specialty equipment.

Website: [www.bakercorp.com](http://www.bakercorp.com)

**Bio-Action**

500 GPD Wastewater Treatment Units, permitted for discharge to surface, treated water re-use. Self contained, computer controlled, with built in restroom. Skid mounted for easy transport. Non potable water systems, generators, transformers.

Website: [bioactioninc.com](http://bioactioninc.com)

**Black Diamond**

BDI are able to offer an innovative and comprehensive service package, targeting cost effective well intervention solutions that reduce well downtime, increase production, facilitate swift rigless to our customer's.

Website: [www.bdi.com.sg](http://www.bdi.com.sg)

**Blasters, Inc.**

Blasters, Inc. specializes in water blasting services with extensive contracting experience in industrial cleaning, concrete hydro demolition, surface preparation for repair and rehabilitation, coatings removal, UHP robotics, and abrasive cutting.

Website: [www.blasters.net](http://www.blasters.net)

**BOLT-IT Hydraulic Solutions, Inc.**

Bolt-It consultants recommend proper hydraulic torque wrenches and equipment; on-site safety & operation training; bolting services; sales & rentals.

Website: [www.bolt-it.com](http://www.bolt-it.com)

**BPI Compression Services & Rentals**

BPI Compression has an extensive fleet of both low and high speed reciprocating gas compressors in the 50-1000 HP range. We offer top quality compressors at competitive rates and unsurpassed service response.

Website: [www.bpicompression.com](http://www.bpicompression.com)

**Briggs Equipment**

Briggs Equipment is one of the largest equipment distributors in North America. Our company operates in the United States, the United Kingdom and Mexico.

Website: [www.briggsequipment.com/](http://www.briggsequipment.com/)

**Canadian Seabed Research Ltd.**

Our professional consulting team provides a complete marine survey solution that includes: hydrographic surveying (single & multibeam sonar), seafloor imaging, shallow seismic, subbottom profiling, positioning, gis, reporting and mapping.

Website: [www.csr-marine.com](http://www.csr-marine.com)

**CAROL Rigging and Lifting Engineering**

CAROL provides comprehensive solutions for crane, rigging, lifting and transportation projects.

Website: [www.ccrll.com](http://www.ccrll.com)

**CATT-Logistics Oil & Gas Logistics**

CATT-Logistics provides all support services for the oil and gas industry in West Africa.

Website: [www.cattlogistics.com](http://www.cattlogistics.com)

**CemFRAC**

CemFRAC provides prompt service for long distance hot shots and safety shower unit rentals for use in remote locations.

Website: [www.cemfrac.com](http://www.cemfrac.com)

**CETCO Oilfield Services Company**

CETCO Oilfield Services offers unique solutions for both onshore and offshore applications: water treatment/produced water; pipeline, well testing, nitrogen & coiled tubing services; rentals; and industrial wastewater treatment products.

Website: [www.cetcooilfieldservices.com](http://www.cetcooilfieldservices.com)

**CheckPoint Pumps and Systems**

CheckPoint is a leading provider of production solutions. We design, manufacture, and market the world's most reliable chemical injection pumps and pump packages, control panels, pressure test systems, green energy solutions and process components.

Website: [www.cppumps.com](http://www.cppumps.com)

**Coates Group**

Coates Offshore is the leading provider of compressed air, specialist tooling and power generation equipment around the world.

Website: [coates.com.au](http://coates.com.au)

**Continental Production Services**

We offer a variety of phases of slickline: braided line fishing operations, high pressure packages, artificial lift and packer services, rental tools and consulting services.  
Website: [www.cpsoutx.com](http://www.cpsoutx.com)

**Corporate Mobile Housing**

Corporate Mobile Housing specializes in remote site housing and support services for the oilfield industry. CMH offers an array of services including full turn-key housing with site selection, site preparation, housing units and food service.  
Website: [www.corporatemobilehousing.com](http://www.corporatemobilehousing.com)

**DeepWater Rental and Supply**

With our experience in automation, ROV tooling, magnetics for drilling operations, underwater cameras, lighting, intervention testing, and specialty supply, DeepWater can provide solutions for a wide range of operational challenges.  
Website: [www.deepwater-rental.com/deepwater/home.html](http://www.deepwater-rental.com/deepwater/home.html)

**Devin Rental Tools**

Rental company providing full range of drilling equipment, handling tools, downhole tools, coil tubing, etc. Also manufactures structural supports for coiled tubing.  
Website: [www.devindevin.com](http://www.devindevin.com)

**Digital Networks USA**

Digital Networks specializes in providing state of the art communications solutions and uncompromised customer service to an array of companies in the oil and gas industry. (Focusing on drilling rigs and production facilities).  
Website: [www.digitalnetworksusa.com](http://www.digitalnetworksusa.com)

**Diogenes Modules**

Temporary living quarters, in outline of 20ft container. Clever design, superior German quality & finish, alarm system, positive pressure HVAC, ex-proof / non ex design. Other modules: office, galley, mess, laundry, sewage. Logistics & setup services.  
Website: [www.diogenes-modules.com](http://www.diogenes-modules.com)

**EagleSat**

Complete Site IT, VSat, Irdium, Inmarsat Satellite Sales Service, WiFi, Cellular, Custom Office, Generators, Light Towers, Custom Web Apps and E-Mail service, Rentals.  
Website: [www.eaglesat.net](http://www.eaglesat.net)

**Electrical Hire Specialists**

kVA limited is a company specializing in the hire of Rigsafe diesel generators, transformers, loadbanks and ancillaries.  
Website: [www.kva.co.uk](http://www.kva.co.uk)

**Elk Environmental Services**

Comprehensive environmental services 24 hour emergency response Oil & Gas services frac tank rental & cleaning trans & disposal.  
Website: [www.elkenv.com](http://www.elkenv.com)

**EMMCorp**

Provides lifting, rigging and marine mooring products, equipment and services including test and inspection, heavy wire rope spooling and rental to the worldwide oilfield markets.  
Website: [www.emmcorp.com](http://www.emmcorp.com)

**EPS Logistics**

Logistics management provider - LA Shorebases- Fourchon, ICY, Venice; Rig Clerks; Logistics Coordinators; Cargo Handlers; Land & International Rig Clerks; HSE Training, Marine Management, Safety Technicians and Hydration Specialists.  
Website: [www.epsteam.com](http://www.epsteam.com)

**Equimo, Ltd.**

As a company, originally formed by professionals and experts employed and working on their own, is now expanding to form one of the best organizations that could do engineering, construction & services to suite the Oil & Gas market requirement.  
Website: [www.equimo.com](http://www.equimo.com)

**Explorer Marine SBoSS ApS**

Explorer Marine SBoSS provides a total solution to the offshore and onshore client necessity. Today, we are going through a highly expansive phase with many exciting projects and major investments to meet the needs of the future.

Website: [www.explorermarinesboss.com](http://www.explorermarinesboss.com)

**Fender Care Marine Solutions**

A leading manufacturer and supplier of a range of products from fendering systems, marine hardware, deck mooring equipment, through to navigation and mooring equipment. We also specialize in Ship to Ship transfers and marine consultancy work.

Website: [www.fendercare.com](http://www.fendercare.com)

**FieldCo Energy Services**

FieldCo Energy Services sets the standard for superior customer service. FieldCo services include On-Site Machining, Module Inspection & Refurbish, Precision Alignment, Large Fabrication, Pipe Cutting, Rig Services, Well Head, and Equipment Rental.

Website: [www.fieldcoenergy.com](http://www.fieldcoenergy.com)

**First Subsea Ltd**

The UK's leading supplier of subsea mooring connection systems, an innovator in subsea mooring systems for deepwater platforms, SPARS, FPSOs, subsea field buoy, pipeline and turret architectures.

Website: [www.firstsubsea.com](http://www.firstsubsea.com)

**FLEXIM AMERICAS Corporation**

FLEXIM provides process instrumentation solutions for all branches of industry. Its efforts are focused on non-intrusive flow measurement and inline process analysis.

Website: [www.flexim.com](http://www.flexim.com)

**Gammaloy** - For all of your rental needs!

Gammaloy has been in business for over 50 years and over these years Gammaloy has changed to meet the demanding industry. We offer rental and lease options for non-magnetic drill collars and other bottom-hole assembly tools.

Website: [www.gammaloy.com](http://www.gammaloy.com)

**General Marine Leasing, Portable Buildings**

General Marine Leasing is the industry leader in providing portable buildings for the offshore oil and gas industry. Our commitment to safety, and improving the quality of life offshore, is apparent in everything we do.

Website: [www.generalmarineleasing.com](http://www.generalmarineleasing.com)

Geologists, Software, Geochemical & Gas Equipment  
HRH Geological Services supplies geological products & services for well planning, drilling and post well evaluation; software, geologists, geologging, geological training, geochemical & gas instrumentation including the ATEX certified Drilgas.

Website: [www.hrhgeology.com](http://www.hrhgeology.com)

**Geophysical Service Incorporated "GSI"**

GSI is in the non-exclusive, exclusive, 2D and 3D marine service business. We can supply source vessels for wide surveys. GSI licenses seismic data in our western hemisphere library of offshore data.

Website: [www.geophysicalservice.com](http://www.geophysicalservice.com)

**Global Maritime Solutions, LLC**

Marine, Offshore and Onshore accommodations & building single source solutions provider. Engineering, New Construction, Refurbishments, Joiner Systems, Rentals and Flotels. Living Quarters, MCC Buildings, Utility Buildings, Camps, Offices, Galleys

Website: [www.global-maritime.com](http://www.global-maritime.com)

**Gulf Coast Centrifuge**

We offer design, construction, repair and rental of: Centrifuges, Shakers, VFD's and Tungsten Carbide Tiles.

Website: [www.gulfcoastcentrifuge.com](http://www.gulfcoastcentrifuge.com)

**Gulf Offshore Leasing**

Designers, manufacturers and lessors of specialised transport equipment for the offshore industry

Website: [www.special-containers.co.uk](http://www.special-containers.co.uk)

**HB Rentals**

HB Rentals is the world's premier supplier of onsite accommodations and auxiliary equipment for the oil and gas industry, both onshore and offshore.

Website: [www.hbrental.com/](http://www.hbrental.com/)

**Holly Pipe**

Holly Pipe supplies drillers world wide with quality horizontal and directional drilling tools, drilling tubulars, drill pipe inspection services, drill stem subs and connections. Holly Pipe also offers welding and precision machine shop services.

Website: [www.hollypipe.com](http://www.hollypipe.com)

**Holpace Nigeria Limited**

Holpace Nigeria Limited is an indigenous Engineering company registered under the corporate affairs commission of Nigeria. Our core services are Engineering, Construction, Asset management, Procurement and Logistics.

Website: [www.holpace.com](http://www.holpace.com)

**Hoover Materials Handling Group Inc**

Hoover Materials Handling Group has been manufacturing liquid handling solutions since 1911. A leader in liquid handling solutions, Hoover is committed to quality. Hoover introduced the original, stainless steel intermediate bulk container (IBC).

Website: [www.hooversolutions.com](http://www.hooversolutions.com)

**Hy-Bon Engineering**

From oilfield stock tanks, casing head gas, field gas collection to biogas from wastewater facilities, digester tanks, landfills or breweries, Hy-Bon can design the package. We also design and manufacturing custom CNG packages for municipal applications.

Website: [www.hy-bon.com](http://www.hy-bon.com)

**HY-TECH International, Inc / Directional Drilling**

International Directional Consulting and Engineering.

Website: [hy-tech1.com/hy-tech](http://hy-tech1.com/hy-tech)

**Hydraulic Power Services limited Worldwide**

Providing specialist hydraulic technical back up and breakdown services. Pressure and flow testing, Flushing and system commissioning, steel pipework installation, accumulator charging and re-certification, trouble shooting, equipment survey

Website: [www.hydraulicpower.co.uk](http://www.hydraulicpower.co.uk)

**i-Torque**

Titan Mannings is a leader in providing equipment and manpower to ensure competent and safe solutions for the controlled tightening and loosening of complex joints. Our engineered solutions combine strength and performance.

Website: [www.i-torque.com](http://www.i-torque.com)

**Ideal Energy Directional Drilling Services**

Ideal Energy Directional Drilling Services Texas based MWD and Well Planning Service

Website: [www.iedds.com](http://www.iedds.com)

**IMPACT SELECTOR**

Impact Selector manufactures, rents, and leases a comprehensive line of technologically advanced mechanical impact tools for open-hole and cased-hole wireline operations.

Website: [www.impactselector.com](http://www.impactselector.com)

**Industrial Equipment & Tools**

repair of rams and pumps sell of new equipment automotive industrial hydraulic torque wrenches bolting tools. Flir Hamamatsu L3 thermal imaging cameras. Air Compressors Vehicle Lifts large and small, shop equipment air tools. Ardrex, Oakite products.

Website: [www.naltic.com](http://www.naltic.com)

**Innovative Gas Systems - IGS - Generon**

IGS is the world's largest OEM of Portable Nitrogen Generators to the Oil and Gas and Marine industry. We supply custom designed equipment meeting all standards. Rental systems are available for Pipeline, Drilling and Offshore Applications.

Website: [www.igs-global.com](http://www.igs-global.com)

**ITS Drilling Services**

A Rental, Sales & Service Company Supplying Liquid Recovery Units, Rigvac Units, Sludge Gulpers, Wilden Pumps, Hot & Cold Pressure Washers, Trash Compactors and Waste Management Systems to the Oil & Gas Industry

Website: [www.its-uk.co.uk](http://www.its-uk.co.uk)

**Jokas Oilfield Services, Ltd.**

JOKAS OILFIELD SERVICES (JOS) LTD is one of the leading oilfield services company in Ghana and West Africa. We are considered as one of the main suppliers for the Oil and Gas Industry, Public and Private Sectors.

Website: [www.jokasoilfieldservices.com](http://www.jokasoilfieldservices.com)

**Kelford Energy, LLC.**

Kelford Energy LLC provides more than a dozen services, ranging from drilling to completions, as well as a wide variety of rental products.

Website: [www.kelfordllc.com](http://www.kelfordllc.com)

**Kingston Oilfield Services Pvt Ltd.**

At Kingston, we ensure a safe working environment and better health protection in all operational areas. We have also ventured into the supply of equipment and services with the support of our foreign principal.

Website: [www.kgoffshore.in](http://www.kgoffshore.in)

**Laboratory Services for CBM**

We are a knowledge based company providing Total solutions for CBM industry.

Website: [www.totalcbm.com](http://www.totalcbm.com)

**Latco Maritime Oil & Gas Services Ltd**

We were established on the 4th of May, 2011 to offer engineering, procurement, installations, inspection of production/process facilities, construction and maintenance services to the oil and gas industry.

Website: [www.latcooil.com/](http://www.latcooil.com/)

**Legotec**

We specialize in the manufacturing and rehabilitation of accessories for drilling rigs, we also include machining, welding, mechanical floor and freight transport services.

Website: [www.legotec.com.mx](http://www.legotec.com.mx)

**Longnecker Rigging**

Longnecker Rigging is the leading supplier of marine riggers in the Gulf Of Mexico. Our rigging personnel are professionals with a high standard for safety.

Website: [longneckerrigging.com](http://longneckerrigging.com)

**Louisiana Crane Company**

Louisiana Crane Company, LLC shall strive to consistently provide the finest crane, construction, millwright and industrial services to our clients while maintaining a constant focus on safety and quality.

Website: [louisianacrane.com](http://louisianacrane.com)

**Machine Moving & Engineering Load testing Services**

A company specializing in heavy lifts ,safety and load testing and certification as well as NDT testing. We also offer operator and rigging training.

Website: [www.mme.co.za](http://www.mme.co.za)

**Mactech Europe UK, Ltd.**

Mactech Europe Ltd has a large range of drilling and trepanning machines to cover any application and can accommodate sizes in excess of 12" diameter and 500mm in depth.

Website: [mactecheurope.co.uk](http://mactecheurope.co.uk)

**MAKO RENTALS**

We provide pump in subs that allow you to still rotate w/ top drive, subsea rotating tools, Lite Torc technology Kelly Safety valves and all X overs. Also, drop rubber and nerf and steel balls on the fly out of our cement head for any cement job.

Website: [www.MakoRentals.com](http://www.MakoRentals.com)

**MCS Equipment Rental Software**

With proven rental software solutions in the oilfield equipment rental market, MCS provides software for companies looking to increase profitability, flexibility and control throughout their rental business.

Website: [www.mcs.co.uk](http://www.mcs.co.uk)

**Moorhouse Drilling & Completions**

Information and site for Moorhouse Drilling & Completions, a UK based consultancy company specialising in land work in the UK and Europe.

Website: [www.moorhousepetroleum.co.uk](http://www.moorhousepetroleum.co.uk)

**Mpact Downhole Motors**

With over 20 years experience in the design and manufacturing of premium quality drilling motors, Mpact Downhole Motors is a leading supplier to the Domestic U.S. directional, horizontal, and vertical drilling markets.  
Website: [www.mpactmotors.com](http://www.mpactmotors.com)

**MT RigMat**

We manufacture premium quality Welded Steel Frame Rigmats or Decked Skids for the oil and gas industry. Rigmats protect the environment and increase production by preventing equipment getting stuck and being buried in the mud.

Website: [www.mtrigmat.com](http://www.mtrigmat.com)

**Nelvik Norsk Hydro Ltd.**

Semi-submersible rigs, jack-up rigs, ROVs, land rigs & services, barges, AHTS, construction vessels, accommodation vessels, FPSO, FSO, seismic vessels & services, offshore consulting and complete project engineering and management services.

Website: [www.nelvikhydro.ca](http://www.nelvikhydro.ca)

**NMCI**

NMCI Services is the commercial division of the National Maritime College of Ireland and provides professional training in offshore courses, STCW 95 courses, GTSS courses along with a range of team building activities.

Website: [www.nmci.ie/index.cfm/page/commercial](http://www.nmci.ie/index.cfm/page/commercial)

**Noise Solutions Inc.**

Providing turn-key acoustical engineering and noise suppression products to the Industrial market through a 4 stage noise suppression blueprint process with guaranteed acoustical performance.

Website: [www.noisesolutions.com](http://www.noisesolutions.com)

**Offshore Cleaning Systems**

Offshore Cleaning Systems is leading provider of alternative cleaning solutions to the oil and gas industry. We are constantly at work developing innovative solutions that optimize production cleaning in a safe and environmentally sound manner.

Website: [www.offshorecleaning.com/](http://www.offshorecleaning.com/)

**Offshore Crane Engineering Limited**

OCE and its two divisions, Caledonia Lifting & Certification Services and Bucyrus Marine Cranes have developed a co-ordinated approach to crane operations and maintenance offering a complete package for all lifting equipment requirements world-wide.

Website: [www.offshore-crane.co.uk](http://www.offshore-crane.co.uk)

**Offshore Marine Services**

Offshore Construction & Shipping Agent.

Website: [www.dutamarine.com](http://www.dutamarine.com)

**Oil States Industries, Inc.**

Engineering, procurement, manufacturing for offshore oil & gas applications, cranes, winches, rubber, manufacturers & suppliers

Website: [www.oilstates.com](http://www.oilstates.com)

**Oilfield Innovators Limited, LLC**

Hydraulic Tubular pick-up-laydown services for completions workovers. Any size tubing up to 16" casing. Units can deliver tubing up to 30' in height on rig assist snubbing jobs. Efficient, safe and dependable method of picking up and laydown tubulars.

Website: [www.oilfieldltd.com](http://www.oilfieldltd.com)

**Oilfield Technical Services**

OTS is an independent third party provider of onshore and offshore support services. With our diverse team, authorized representatives and service locations, we can support our clients anywhere.

Website: [www.oftslc.com](http://www.oftslc.com)

**OTEAC Ltd**

OTEAC is a well established company who specializes in the sale or hire, installation, maintenance, testing and Certification of Fire, Marine Safety, Security and Pressure Equipment.

Website: [www.oteac.co.uk](http://www.oteac.co.uk)

**Pan Marine**

Pan Marine is your Egyptian independent partner. Our Company consists of three main divisions: Shipping Services, Logistics Services & Petroleum Services support. Pan Marine guaranteed by ISO certificates 9001:2000. .  
Website: [www.pan-marine.net](http://www.pan-marine.net)

**Performance Air & Winch Services**

Performance Air & Winch Services, LLC is a full service state of the art hydraulic repair facility. Our success is directly related to the satisfaction of our customers as we feel your need to have excellent service delivered with a great attitude.  
Website: [www.pas-pws.com](http://www.pas-pws.com)

**Performance Lubricants & Chemicals**

You gateway to quality oil based cleaning products, and total Electric pressure washers  
Website: [www.plc-usa.com](http://www.plc-usa.com)

**Performance Wellhead & Frac Components**

Performance Wellhead & Frac Components is a leading supplier of wellhead, gate valve, frac components, and manifolds.  
Website: [pwfrac.com](http://pwfrac.com)

**Petrohans Tritunggal, PT**

Established in January 11 1992. We provide support services and fabrication facility to fulfill the needs of our clients worldwide. Services include welders training, qualification & placement. We fabricate pig launchers/ receivers & pressure vessels.  
Website: [www.petrohans.com](http://www.petrohans.com)

**Petrustech Oil & Gas Ltda ME**

Petrustech offer NDT inspection, Welding, Fabrication, Hydroblasting & Painting services for on or offshore locations, at height, confined space or subsea, rigging & lifting, drops, NR10 compliance, "Ex" electrical surveys and many other services.  
Website: [www.petrustech.com.br](http://www.petrustech.com.br)

**Pin Torque**

Pin Torque has the newest improved and complete one package Entry Tool in the Oil Industry, for Pipe recovery, or Gyro needs.  
Website: [www.pintorque.com](http://www.pintorque.com)

**Plate Heat Exchangers by SWEP Ltd**

SWEP (part of Tranter Inc.) is a major manufacturer of gasketed plate heat exchangers, brazed heat exchangers, prime surface platecoil, etc. SWEP Ltd in the U.K. has a full service and regasketing workshop for all makes of plate heat exchangers.  
Website: [www.swepsth.u-net.com](http://www.swepsth.u-net.com)

**Point of Rental Systems**

Point-Of-Rental Systems is the leading provider of MS-Windows server based equipment rental management software in the US. Over 1,200 stores are using Point-Of-Rental in the US & Canada. More information may be obtained at [www.point-of-rental.com](http://www.point-of-rental.com).  
Website: [www.point-of-rental.com](http://www.point-of-rental.com)

**Precision Drilling**

Precision provides contract drilling, well servicing and strategic support services to customers.  
Website: [www.precisiondrilling.com](http://www.precisiondrilling.com)

**Prime Marine Services**

Our website allows potential clients to see our different services. Prime Marine rents hydraulic cutting shears used for decommissioning platforms and wells. We can cut up to 72 inches of pipe in a matter of minutes.  
Website: [www.primemarineinc.com](http://www.primemarineinc.com)

**Prosafe ASA**

A leading and innovative supplier of products and services within selected niches of the global oil and gas industry.  
Website: [www.prosafe.com](http://www.prosafe.com)

**PSI RENTALS, Inc.**

PSI Rentals specializes in sand clean out equipment and leads the industry in exclusive rental equipment. Website: [www.psirentals.com](http://www.psirentals.com)

**Pulse Structural Monitoring**

Pulse Structural Monitoring is the leader in marine structural monitoring and has been responsible for the provision of highly successful monitoring systems and services since 1998. Pulse is part of the Acteon group.

Website: [www.pulse-monitoring.com/](http://www.pulse-monitoring.com/)

**R. J. Pipkin Company - Frac Tank Rentals**

The services we provide are frac tanks, test tanks, mud tanks, steel pits, blowout preventors, adaptor flanges, spools, TIW valves, water filter units, and our newest service is Rhino Linings for commercial and industrial applications.

Website: [fractankrentals.com](http://fractankrentals.com)

**RBG USA, Inc.**
