

## Trade Associations: North America

### **Alaska Oil and Gas Association (AOGA)**

121 West Fireweed, Suite 207  
Anchorage, AK 99503  
(907) 272-1481  
<http://www.aoga.org/>

The AOGA is a non-profit trade association that represents the majority of oil and gas exploration, production, transportation, refining and marketing activities in Alaska.

### **American Exploration & Production Council (AXPC)**

1350 Eye St., NW, Suite 510  
Washington, DC 20005  
(202) 652-2359  
<http://www.axpc.us/>

The AXPC is a national trade association that represents large United States independent natural gas and crude oil exploration and production companies.

### **American Gas Association (AGA)**

400 North Capitol Street, NW  
Washington, DC 20001  
<http://www.againc.org>

The American Gas Association represents more than 200 local energy companies that deliver clean natural gas throughout the United States.

### **American Natural Gas Alliance (ANGA)**

701 Eighth Street, NW, Suite 800  
Washington, DC 20001  
(202) 789-2642  
<http://www.anga.us>

ANGA exists to promote the economic, environmental and national security benefits of greater use of clean, abundant, domestic natural gas. It represents 29 of North America's largest independent natural gas exploration and production companies and the leading developers of the shale plays transforming the clean energy landscape.

### **American Petroleum Institute (API)**

1220 L Street, NW  
Washington, DC 20005  
(202) 682-8000  
<http://api-ec.api.org/>

API is the only national trade association that represents all aspects of America's oil and natural gas industry.

**American Public Gas Association (APGA)**

201 Massachusetts Avenue, NE  
Washington, DC 20002  
(202) 464-2742  
<http://www.apga.org>

APGA is the only nonprofit organization representing America's publicly owned natural gas local distribution companies (LDCs). APGA represents the interests of public gas before Congress, federal agencies and other energy-related stakeholders by developing regulatory and legislative policies that further the goals of our members.

**Association of Energy Service Companies (AESC)**

14531 FM 529, Suite 250  
Houston, Texas 77095  
<http://www.aesc.net>

The AESC is the premier association of the energy service industry and provide information and assistance to members in many important areas of the industry.

**California Independent Petroleum Association (CIPA)**

1001 K Street, 6th Floor  
Sacramento, CA 95814  
(916) 447-1177  
<http://www.cipa.org/>

The CIPA is a non-profit, non-partisan trade association representing approximately 450 independent crude oil and natural gas producers, royalty owners, and service and supply companies operating in California.

**Canadian Association of Petroleum Producers (CAPP)**

2100, 350-7 Avenue SW  
Calgary, Alberta, Canada  
T2P 3N9  
(403) 261-4622  
<http://www.capp.ca/Pages/default.aspx>

The CAPP represents member companies that produce about 90 percent of Canada's natural gas and crude oil.

**Canadian Energy Pipeline Association (CEPA)**

1860 205 5th Ave. SW  
Calgary, Alberta T2P 2V7  
(403) 221-8777  
<http://www.cepa.com/>

The CEPA represents Canada's transmission pipeline companies who operate more than 100,000 kilometers of pipeline in Canada and the United States.

**Canadian Gas Association (CGA)**

350 Sparks Street, Suite 809

Ottawa, Ontario K1R 7S8

(613) 748-0057

<http://www.cga.ca>

The Canadian Gas Association is the voice of Canada's natural gas distribution industry. Members are distribution companies, transmission companies, equipment manufacturers and other service providers.

**Colorado Oil & Gas Association (COGA)**

1660 Lincoln Street, Suite 2710

Denver, Colorado 80264

(303) 861-0362

<http://www.coga.org/>

The COGA mission is to foster and promote the beneficial, efficient, responsible and environmentally sound development, production and use of Colorado oil and natural gas. COGA is a nationally recognized trade association that aggressively promotes the expansion of Rocky Mountain natural gas markets, supply, and transportation infrastructure through its growing and diverse membership.

**Eastern Kansas Oil & Gas Association (EKOGA)**

17 South Evergreen Ave

Chanute, Kansas 66720

(620) 431-1020

<http://www.ekoga.org>

The EKOOGA was founded in 1957 by a group of independent producers to promote the interests of oil and gas production in Eastern Kansas.

**Florida Natural Gas Association (FNGA)**

(850) 681-0496

<http://www.floridagas.org>

The objective of the Florida Natural Gas Association is to advance and promote the sale of natural gas, natural gas appliances, and the necessary services in Florida. FNGA promotes safety in the distribution of natural gas and its use by conducting conferences, annual conventions and programs that inform and train industry representatives.

**Gas Processors Association (GPA)**

(918) 493-3872

<https://www.gpaglobal.org/>

GPA has served light hydrocarbons industry since 1921 as an incorporated non-profit trade association. Our corporate members are engaged in the processing of natural gas into merchantable pipeline gas, volume movement, or further processing of liquid products from natural gas.

**Illinois Oil & Gas Association (IOGA)**

P.O. Box 788  
Mt. Vernon, IL 62864  
(618) 242-2857  
<http://www.ioga.com/>

The IOGA provides an agency through which oil and gas producers, land owners, royalty owners, and others who may be directly or indirectly affected by or interested in oil and gas development and production in Illinois, may protect, preserve and advance their common interests.

**Independent Oil & Gas Association of New York (IOGA of NY)**

38 Lake Street  
Hamburg, New York 14075  
(716) 202-4688  
<http://www.iogany.org/>

The IOGA of NY is a trade association to protect, foster, and advance the common interests of oil and gas producers, professionals, and related industries in the State of New York. Comprised of members from numerous states throughout the country, we represent small, independent oil and gas operators and producers, as well as many larger companies.

**Independent Oil & Gas Association of West Virginia (IOGA-WV)**

300 Summers Street, Suite 820  
Charleston, WV 25301  
(304) 344-9867  
<http://www.iogawv.com>

The Independent Oil and Gas Association of West Virginia is a statewide, non-profit trade association representing companies engaged in the extraction and production of natural gas and oil in West Virginia, and the companies and individuals which support extraction activities.

**Independent Petroleum Association of America (IPAA)**

1201 15th Street NW, Suite 300  
Washington, DC 20005  
(202) 857-4722  
<http://www.ipaa.org/>

The IPAA has represented independent oil and natural gas producers for three-quarters of a century. IPAA is a national trade association that serves as an informed voice for the exploration and production segment of the industry, and advocates its members' views before the U.S. Congress, the Administration and federal agencies. IPAA provides economic and statistical information about the domestic exploration and production industry.

**Independent Petroleum Association of New Mexico (IPANM)**

P.O. Box 1836  
Roswell, New Mexico 88202  
(575) 622-2566  
<http://www.ipanm.org/>

The IPANM is a non-profit organization that serves as the voice of the independent oil and gas producers in New Mexico.

**Indiana Oil & Gas Association (IOGA)**

1200 Refinery Road  
Mt. Vernon, IN 47620  
(812) 838-8515  
<http://www.inoga.org>

The IOGA is an active representative for the upstream oil and gas industry in Indiana and provides a common forum for this group. The association represents its membership on issues of state, federal and local regulation/legislation that has, does and will affect the business of this industry.

**International Association of Drilling Contractors (IADC)**

PO Box 4287  
Houston, Texas 77210  
<http://www.iadc.org>

The IADC exclusively represents the worldwide oil and gas drilling industry. IADC's contract-drilling members own most of the world's land and offshore drilling units that drill the vast majority of the wells producing the planet's oil and gas.

**International Association of Oil & Gas Producers (OGP)**

209-215 Blackfriars Road  
London SE1 8NL, UK  
+44 (0)20 7633 0272  
<http://www.ogp.org.uk/>

The OGP is a unique global forum in which members identify and share best practices to achieve improvements in every aspect of health, safety, the environment, security, social responsibility, engineering and operations.

**Kansas Independent Oil and Gas Association (KIOGA) Newsletter**

105 S Broadway, Suite 500  
Wichita, Kansas 67202  
(316) 263-7297  
<http://www.kioga.org/communications/newsletter>

KIOGA is a nonprofit member organization representing independent oil and gas producers in Kansas, as well as allied service and supply companies. The purpose of KIOGA as stated in the original articles of incorporation is to improve the market for oil and gas produced in Kansas and to promote the welfare of the oil and gas industry in the State of Kansas.

**Kentucky Oil and Gas Association (KOOGA)**

#1-A Physicians Park  
Frankfort, KY 40601  
(502) 226-1955  
<http://www.kyoilgas.org/>

The KOGA represents the interests of Kentucky's crude oil and natural gas industry, and more particularly, the independent crude oil and natural gas operators. Its goals include promoting, protecting and advancing the interest of the oil and gas industry; opposing any unfair and unjust legislation which may adversely affect the oil and gas industry; and, disseminating reliable publicly to further and protect the oil and gas industry.

**Louisiana Oil and Gas Association (LOGA)**

PO Box 4069  
Baton Rouge, LA 70821  
(800) 443-1433  
<http://www.loga.la/>

LOGA represents the independent and service sectors of the oil and gas industry in Louisiana; this representation includes exploration, production and oilfield services. Our primary goal is to provide our industry with a working environment that will enhance the industry.

**Michigan Oil & Gas Association**

124 West Allegan Street Suite 1610  
Lansing, MI 48933  
(517) 487-1092  
<http://www.michiganoilandgas.org>

The Michigan Oil And Gas Association (MOGA) represents the exploration, drilling, production, transportation, processing and storage of crude oil and natural gas in the State of Michigan. MOGA has nearly 1,000 members of which include independent oil companies, major oil companies, and the exploration arms of various utility companies.

**Mid-Continent Oil and Gas Association of Oklahoma**

6701 N. Broadway, Suite 300  
Oklahoma City, OK 73116  
(405) 843-5741  
<http://www.okmoga.com/>

The association has a history of bringing successful companies together to forge common interests into the best operation environment possible. In doing this, we also assure a sound business environment for the future of Oklahoma.

**Montana Association of Oil, Gas & Coal Counties**

<http://www.montanaenergy.org/>

A non-profit corporation providing leadership on energy issues and promoting responsible energy development for the future of Montana.

**Montana Petroleum Association (MPA)**

PO Box 1186

Helena, Montana 59624

(406) 442-7582

<http://www.montanapetroleum.org>

The Montana Petroleum Association is a voluntary, non-profit trade association, whose members include oil and natural gas producers, gathering and pipeline companies, petroleum refineries and service providers and consultants.

**National Energy Marketers Association (NEM)**

<http://www.energymarketers.com>

NEM is a national, non-profit trade association representing wholesale and retail marketers of natural gas, electricity, as well as energy and financial related products, services, information and advanced technologies throughout United States, Canada, and the European Union.

**National Petroleum Council (NPC)**

1625 K Street, NW, Suite 600

Washington, DC 20006

(202) 393-6100

<http://www.npc.org/>

NPC is a federally chartered and privately funded advisory committee with respect to any matter relating to oil and natural gas, or to the oil and gas industries.

**National Propane Gas Association (NPGA)**

1899 L Street, NW, Suite 350

Washington, DC 20036

<http://www.npga.org>

The NPGA is the national trade association representing the US propane industry. Membership includes small business and large corporations engaged in the retail marketing of propane gas and appliances; producers and wholesalers of propane equipment; manufacturers and distribution of propane gas appliances and equipment; fabricators of propane gas cylinders and tanks; and propane transporters.

**Natural Gas & Energy Association of Oklahoma (NGEAO)**

3701-A South Harvard #365

Tulsa, Oklahoma 74135

(918) 625-8722

<http://www.ngeao.org>

The association is a non-profit membership association comprised of upstream, mid-stream, and downstream natural gas and energy industry participants, as well as corollary service companies who rely on Oklahoma's natural gas & energy resources for existence.

**New Mexico Oil and Gas Association (NMOGA)**

203 E. Santa Fe Ave.

Santa Fe, New Mexico 87505

(505) 982-2568

<http://www.nmoga.org/>

The NMOGA is dedicated to promoting the safe and responsible development of oil and gas resources in New Mexico through advocacy, collaboration and education.

**North Dakota Association of Oil and Gas Producing Counties (NDAOGPC)**

859 Senior Avenue

Dickinson, ND 58601

(701) 483-8326

<http://www.ndenergy.org/>

NDAOGPC is the trusted and unified voice for the betterment of the citizens of North Dakota and the membership of the North Dakota Association of Oil and Gas Producing Counties.

**North Dakota Petroleum Council**

120 North 3rd Street, Suite 200

Bismarck, ND 58501

(701) 223-6380

<http://www.ndoil.org/>

The North Dakota Petroleum Council is a trade association that represents more than 250 companies involved in all aspects of the oil and gas industry including oil and gas production, refining, pipeline, transportation, mineral leasing, consulting, legal work, and oil field service activities in North Dakota, South Dakota, and the Rocky Mountain Region.

**Northeast Gas Association (NGA)**

75 Second Avenue, Suite 510

Needham, Massachusetts 02494

(781) 455-6800

<http://www.northeastgas.org>

The NGA is a regional trade association that focuses on education and training, technology research and development, operations, planning, and increasing public awareness of natural gas in the Northeast US.

**Northwest Gas Association (NWGA)**

1914 Willamette Falls Drive, Suite 255

West Linn, Oregon 97068

(503) 344-6637

<http://www.nwga.org>

The NWGA is a trade association of the Pacific Northwest natural gas industry. NWGA's members include six natural gas utilities serving communities throughout Idaho, Oregon, Washington and British Columbia; and three natural gas transmission pipelines that transport natural gas supply basins into and through the region.

**Ohio Oil and Gas Association (OOGA) Express E-Newsletter**

1718 Columbus Road SW

Granville, Ohio 43023

(740) 587-0444

<http://www.ooga.org/newsletters>

The OOGA Express provides OOGA members with bi-weekly and timely snapshots of issues and activities that are important to the Ohio oil and gas industry. The OOGA Express is only available by email to OOGA members or by download from this website.

**Oklahoma Independent Petroleum Association (OIPA)**

3555 N.W. 58th Street, Suite 400

Oklahoma City, Oklahoma 73112

<http://www.oipa.com>

Oklahoma Independent Petroleum Association represents more than 2,000 individuals and companies from Oklahoma's oil and natural gas industry.

**Oklahoma Commission on Marginally Producing Oil and Gas Wells (MWC)**

421 N.W. 13th Street, Suite 180

Oklahoma City, OK 73103

(405) 604-0460

<http://www.ok.gov/marginalwells/>

The Oklahoma Commission on Marginally Producing Oil and Gas Wells was created to define and identify appropriate categories that may be used to characterize marginally producing oil and gas wells.

**Pennsylvania Oil and Gas Association (PIOGA) Newsletter**

115 VIP Drive, Suite 210

Northridge Office Plaza II

Wexford, PA 15090

(724) 933-7306

<http://www.pioga.org/newsletter/>

The PIOGA is the principle nonprofit trade association representing Pennsylvania's independent oil and natural gas producers, marketers, service companies and related businesses. PIOGA member companies drill and operate the majority of the state's crude oil and natural gas, including the Marcellus Shale.

**Permian Basin Petroleum Association (PBPA)**

415 W. Wall, Suite 103

Midland, Texas 79702

(432) 684-6345

<http://www.pbpa.info/#!vstc1=pbog/vstc17=pbogtab>

The Permian Basin Petroleum Association provides safety education, legislative and regulatory involvement and support services for the petroleum to promote member's effectiveness and profitability.

**Petroleum Association of Wyoming (PAW)**

951 Werner Court, Suite 100

Casper, WY 82601

(307) 234-5333

<http://www.pawyo.org/>

PAW is Wyoming's largest and oldest petroleum industry trade association, dedicated to the betterment of the state's oil and gas industry and public welfare. PAW members account for approximately ninety percent of the natural gas and two-thirds of the crude oil produced in Wyoming.

**Petroleum Equipment Institute (PEI)**

P.O. Box 2380

Tulsa, OK 74101

(918) 494-9696

<http://www.pei.org/>

PEI is a trade association with members that manufacture, distribute and service petroleum marketing and liquid-handling equipment. PEI represents more than 1,600 member companies located in all 50 states and more than 180 countries. Members include manufacturers, sellers and installers of equipment used in service stations, terminals, bulk plants, fuel, oil and gasoline delivery, and similar petroleum marketing operations.

**Petroleum Marketers Association of America (PMAA)**

1901 North Fort Myer Drive, Suite 500

Arlington, Virginia 22209

(703) 351-8000

<http://www.pmaa.org>

The PMAA is a federation of 48 state and regional trade associations representing approximately 8,000 independent petroleum marketers nationwide.

**Petroleum Technology Transfer Council (PTTC)**

P.O. Box 710942

Oak Hill, VA 20171

(918) 629-1056

<http://www.pttc.org/>

The PTTC's mission is accomplished by distributing applied technology information via newsletters, websites, exhibitions, as well as participation in workshop and industry events.

**Society of Petroleum Engineers (SPE)**

830 S. Greenville Avenue

Allen, TX 75002

<http://www.spe.org/index.php>

SPE is the largest individual-member organization serving managers, engineers, scientists and other professionals worldwide in the upstream segment of the oil and gas industry.

**Southern Ohio Oil and Gas Association (SOOGA) Insider Bulletin**

P.O. Box 136

Reno, Ohio 45773

(740) 374-3203

<http://www.sooga.org/bulletin.html>

SOOGA is a non-profit organization comprised of local producers and businesses involved in the oil and gas industry.

**Southern Gas Association (SGA)**

3030 LBJ Freeway, Suite 1300

Dallas, Texas 75234

(972) 620-8505

<http://www.southerngas.org>

Southern Gas Association sets out to concern itself with technical and sales issues, and to devise by common efforts, solutions to common problems within the natural gas industry.

**Tennessee Oil & Gas Association (TOGA)**

750 Old Hickory Blvd, Suite 150-2

Brentwood, Tennessee 37027

(615) 371-6137

<http://www.tennoil.com>

The TOGA is an organization of men and women involved in the exploration, development and production of oil and natural gas in Tennessee.

**Texas Alliance of Energy Producers**

107 E 8th Street

Austin, Texas 78702

(512) 524-8076

<http://www.texasalliance.org/>

With more than 3,300 members, the Alliance is the largest state oil and gas trade association in the nation.

The Alliance brings together members in 300 cities and 29 states for the common purpose of protecting the domestic oil and gas industry, focusing on Texas issues.

**Texas Oil & Gas Association (TXOGA)**

304 West Thirteenth Street

Austin, Texas 78701

(512) 478-6631

<http://www.txoga.org/>

TXOGA is a general, multipurpose trade association representing the Texas oil and gas industry. The membership of Texas Oil & Gas Association, approximately 4,000 members strong, produces in excess of 92-percent of Texas' crude oil and natural gas, is responsible for some 95-percent of the state's refining capacity, and operates a vast majority of the state's pipeline mileage.

**US Oil & Gas Association, Mississippi/Alabama Division (USOGA)**

513 N. State Street, Suite 202

Jackson, MS 39201

(601) 948-8903

<http://www.usoga.com/>

The US Oil & Gas Association provides the industry with representation in legislative, regulatory and public affairs, and serves as a resource on technical matters. The association is an effective advocate for the growth and protection of the energy industry in Alabama, Mississippi and adjacent federal and state offshore areas.

**Virginia Oil & Gas Association**

P.O. Box 2285

Abingdon, VA 24212

<http://www.vaoilandgas.com/>

The Virginia Oil and Gas Association's purpose is to promote and protect the Virginia natural gas and oil producing industry.

**West Virginia Oil and Natural Gas Association (WVONGA)**

PO Box 3231

Charleston, WV 25332

(304) 343-1609

<http://www.wvonga.com/>

The WVONGA is one of the oldest trade associations in the state, and is the only association that serves the entire oil and gas industry. Members are engaged in exploration, production, transmission, storage, sales and distribution. Our allied members serve the industry through drilling, pipeline construction, well service and oil field service and supply.

**Western States Petroleum Association (WSPA)**

1415 L Street, Suite 600

Sacramento, California 95814

(916) 498-775

<http://www.wspa.org>

WSPA is a non-profit trade association that represents companies that account for the bulk of petroleum exploration, production, refining, transportation and marketing in the six western states of Arizona, California, Hawaii, Nevada, Oregon and Washington.
